How We Will Calculate Your Balance: We use a method called "daily balance." See your EXCHANGE CREDIT PROGRAM Agreement for more details.

Prime Rate: Variable APRs are based on the 3.50% Prime Rate as of 3/17/22.

[‡]The Exchange Credit Program adds 6.99% to the Prime Rate to determine the purchase APR. The Prime Rate is the highest bank prime loan rate as published in the Money Rates section of the Wall Street Journal on the last business day of your previous business cycle. The Exchange Credit Program reserves the right to temporarily offer an annual percentage rate lower than the Prime Rate plus 6.99%. The variable APR above is based on the 3.50% Prime Rate on 3/17/22.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your EXCHANGE CREDIT PROGRAM Agreement.

Military Lending Act Disclosure: Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than credit application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account).

Please refer to Section 12 of the MILITARY STAR Credit Card Agreement to see how your monthly minimum payment is calculated.

Please call toll-free 1-877-891-7827 to hear this disclosure orally.

EXCHANGE CREDIT PROGRAM INITIAL DISCLOSURE STATEMENT

This EXCHANGE CREDIT PROGRAM Initial Disclosure Statement ("Initial Disclosures") describes certain terms that apply to the MILITARY STAR Private Label Revolving Credit Account ("Account"). The Account is available through the Exchange Credit Program and administered by the Army and Air Force Exchange Service ("AAFES"), P.O. Box 650410, Dallas, TX 75265-0410. Terms in the Initial Disclosures and other terms that apply to the Account are provided in the EXCHANGE CREDIT PROGRAM Agreement (the "Agreement").

1. General Terms: The terms "we," "us," and "our" mean the Account creditor to which you apply for credit (AAFES, the Navy Exchange Service Command, the Marine Corps Exchange or the Coast Guard Exchange Service). The terms "you" and "your" refer to the individual Account holder who applies for and accepts an Account subject to the terms of the Agreement. You may authorize family members who are 18 years or older, with current exchange privileges, to use the Account as an "Authorized User." Any reference to a "Card" means any card we issue to you or an Authorized User that is used to access your Account. Other capitalized terms used below are explained in the context of their first use.

You and each Authorized User may use the Account to purchase qualifying goods and services from us under our Retail Plan, the Military Clothing Plan (if you qualify), and any Special Promotion we may offer from time to time, subject to the terms and conditions of the Agreement. Account purchases are subject to the terms of our Retail Plan, unless we determine that those purchases qualify for different treatment under the Military Clothing Plan or a Special Promotion. Terms that apply to a Special Promotion are described in these Initial Disclosures, except as modified by any promotional disclosures that supplement these Initial Disclosures.

2. Periodic Statements; Billing Cycles; Payments: Each Periodic Statement will show the ending date of the most recent Billing Cycle (the "Closing Date"). A Billing Cycle refers to the number of days between Closing Dates. Each Periodic Statement will show the total amount you owed as of the Closing Date of your prior Periodic Statement (the "Previous Balance"), and the amounts added to and subtracted from the Previous Balance to determine the total amount you owe as of your most recent Closing Date (the "New Balance"). The Periodic Statement will show the minimum amount you must pay (the "Total Minimum Payment Due") and the date on which your payment is due (the "Payment Due Date," which will be at least 25 days after we closed it to you). For more information about requirements of applicable law, you may be bound by what the Periodic Statement shows if there is a billing error on your Periodic Statement and you do not advise us of the error within 60 days after the mailing it to you. For more information about billings disputes and your rights, you should read the section below called "Your Billing Rights." You may pay your New Balance in full any time without penalty or pay it in monthly installments. Paying your entire New Balance or paying more than your Minimum Payment Due will help you reduce or avoid Interest Charges.

3. Interest Charges:

A. Daily Periodic Rates; Index for Variable Rate Adjustments. The Daily Periodic Rate used to determine your periodic rate finance charges ("Interest Charges") is determined by dividing the corresponding Annual Percentage Rate by three hundred sixty-five (365) or, in a leap year, by three hundred sixty-six (366)—The resulting Daily Periodic Rate is carried five places past the decimal point, and the last digit is rounded. The Daily Periodic Rates and Annual Percentage Rates applied as described below in Section 3(G), the Daily Periodic Rates and Annual Percentage Rates we apply to all of your unpaid Retail Plan, Special Promotion, and Military Clothing Plan balances may vary from monthly Billing Cycle to monthly Billing Cycle, based on published changes in the index rate that applies to your Account. Each variable Daily Periodic Rate and corresponding Annual Percentage Rate is based on the value of a published index rate plus the Margins described below in Section 3(D), in Section 3(G), or in separate documents that modify or supplement the Agreement. The index rate used for variable rate adjustments will be the highest bank prime loan rate published in "Money Rates" section of The Wall Street Journal on the Closing Date of your previous Billing Cycle or the business day immediately before that Closing Date (the "WSJ Prime Rate"). Changes in an index rate will be effective as of the first day of a monthly Billing Cycle. An increase in the index rate will result in increased Interest Charges and an increased Total Minimum Payment Due.

B. How We Calculate Balances Subject to Interest Rate. We figure the Interest Charges for your Account by applying the Daily Periodic Rate to the "Daily Balance" of your Account (including new purchases) for each day in the Billing Cycle. We calculate a separate Daily Balance for each of the different categories of your Account (for purchases made under the Retail Plan, the Military Clothing Plan, and any Special Promotions). To get the "Daily Balance" for each Account category, we take the beginning balance of your Account each day in each category, add any new purchases, and then subtract any unpaid Interest Charges, unpaid Account Fees, unpaid costs and charges of collection, payments and credits. This gives us the Daily Balance for each category of your Account.

C. Grace Period. The Periodic Statement for the Billing Cycle with the most recent Closing Date is your "Current Statement." New purchases shown for the first time on your Current Statement will begin to accrue Interest Charges from the date of the purchase, except as provided in the Agreement or as otherwise required by law. New purchases shown for the first time on your Current Statement will not begin to accrue Interest Charges until the first day of the following Billing Cycle if: (a) there is no Previous Balance or there is a credit balance for the Billing Cycle shown on your Current Statement; or (b) the sum of payments and credits we received during the Billing Cycle shown on your Current Statement was at least equal to the Previous Balance shown on that Current Statement. To avoid additional Interest Charges, you must pay the full New Balance shown on the Current Statement by the Payment Due Date shown on the same Periodic Statement. We will give you the benefit of a grace period for certain partial payments you make, in those limited circumstances and to the extent required by law.

D. Interest Charges for Retail Plan Purchases. The variable Annual Percentage Rate used to determine the Interest Charges for Retail Plan purchases will be based on the WSJ Prime Rate plus a Margin of 6.99%. The Account Opening Disclosures provided with these Initial Disclosures disclose the Annual Percentage Rate and Daily Periodic Rate in effect for Retail Plan purchases on or near the date your Account was opened.

E. Interest Charges for Military Clothing Plan. The non-variable Annual Percentage Rate for purchases qualifying for the Military Clothing Plan is 0.00% (a Daily Periodic Rate of 0.000000%).

F. Interest Charges for Special Promotions. The Interest Charges and other terms and conditions for any Special Promotion will be described in separate promotional disclosures that modify or supplement the Agreement.

G. Penalty APR. A "Penalty APR Triggering Event" will occur if you have not paid a Total Minimum Payment Due within 60 days of its applicable Payment Due Date (in other words, within 90 days after the Closing Date of the Billing Cycle for which we determined this minimum payment was due). If a Penalty APR Triggering Event occurs, we may apply an increased Annual Percentage Rate (a "Penalty APR") on an indefinite basis to the unpaid Account balances for all of your Retail Plan and Special Promotion Plan purchases and any new Account purchases we permit, except as otherwise provided in this Agreement or required by law. In addition to applying this Penalty APR, we may close your Account to future purchases and exercise other remedies related to this event of Default as provided in this Agreement. The Penalty APR is a variable Annual Percentage Rate determined as of the date we first apply it, based on the WSJ Prime Rate plus a Margin of 14.99%. The Account Opening Disclosures provided with this Agreement disclose the Penalty APR in effect on or near the date your Account was opened. If we receive six consecutive payments of your Total Minimum Payment Due by their Payment Due Dates, beginning with the first Total Minimum Payment Due that is due immediately after the Penalty APR takes effect, then we will begin to apply the standard Annual Percentage Rates to the existing unpaid Account Balances and your Retail Plan purchases. An increase to the Penalty APR will result in increased Interest Charges and an increased Total Minimum Payment Due.

H. Minimum Interest Charge. A minimum Interest Charge (a Finance Charge) of \$0.50 will be assessed in any Billing Cycle in which an Interest Charge is due, but is less than \$0.50.

I. Temporary Reductions in Interest Charges. Your Interest Charges may be temporarily reduced based on military activation or deployment. At the end of your activation or deployment, the Interest Charges will return to the rates then in effect under the Agreement.

4. Account Fees:

A. Returned Payment Fee. If your check, payment instrument, or any form of electronic payment to us is dishonored by your depository institution or returned to us unpaid for any reason, we will assess and add a Returned Payment Fee of up to \$25.00 to your Account.

B. Document Copy Fee. On non-disputed matters and matters unrelated to a Billing Error, and subject to any limitations or restrictions of applicable law, we may require that you pay us a flat processing fee of \$5.00 per request, plus \$0.25 (25 cents) for each page printed each time you request photocopies or reprints of Account and transaction documents. Recent historical statements are available on www.MyECP.com.

5. Security Interest. You grant us and we retain a security interest in each Retail Plan and Special Promotion purchase you or an Authorized User make with the Account. To the extent permitted by applicable law, you grant to us and we shall retain a purchase money security interest under the Uniform Commercial Code in each Retail Plan and Special Promotion Plan purchase you make with your Account, as shown on sales slips or other evidence of the sales transaction, until the unpaid balance of that purchase and any related Interest Charges and Account Fees are paid in full. For purposes of determining at any time which Retail Plan and Special Promotion Plan purchases remain subject to our security interest, payments on your Account will be applied in accordance with any mandatory provisions of applicable law and, absent such provisions, shall be applied as follows: first, to Interest Charges, then to any Account Fees, then to pay that portion of the Total Minimum Payment Due for purchases made under the Military Clothing Line, then to each Retail Plan and Special Promotion purchase in the order that each such purchase was charged to your Account, beginning with the oldest purchase. Retail Plan and Special Promotion purchases made on the same day will be paid off by allocating your payments to the lowest price purchase(s) first. You understand and agree that we may, at our option, record financing or security documents as permitted by applicable law that evidence our security interest in Retail Plan and Special Promotion purchases made with the Account. It is expressly agreed that no security interest is or will be retained or acquired by us in any consumer's principal dwelling or household goods other than those you or an Authorized User purchased with the Account. This does not apply to a lien created by a court judgment. In the event of default, we shall have all the rights of a secured party under applicable law, including, to the extent permitted by applicable law, the right to repossess items that remain subject to our security interest.

If you think there is an error on your statement, write to us at:

Dallas, TX 75265-0410

In your letter, give us the following information:

- Account information: Your name and account number.

- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain why we believe the bill was correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

Military Clothing Plan Cost of Credit: The Military Clothing Plan feature of the MILITARY STAR Private Label Account may not be available to all eligible account holders. No rewards points will be earned for purchases on the Military Clothing Plan.

Army & Air Force Exchange Service MILITARY STAR® Card Application

(Read Agency Disclosure Notice, Privacy Act Statement, and Instructions before completing application.)

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home State or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

Exchange Credit Program
P.O. Box 650410
Dallas, TX 75265-0410

While we investigate, the same rules apply to the disputed amount as owed above. After we finish our investigation, we will tell you our decision. At that point, if you think you owe an amount and you do not pay, we may report you as delinquent.
