MEMORANDUM THRU:

Army Privacy Office (AAHS-RDF), 9301 Chapek Rd. Bldg. 1458 Fort Belvoir, VA 22060-5605

FOR Defense Privacy, Civil Liberties and Transparency Division, 4800 Mark Center Drive,
Alexandria, VA 22350-3100

SUBJECT: Justification for the Use of the Social Security Number (SSN) – Accounts
Receivable Files; Exchange Credit Program.

1. This memorandum is to satisfy the requirements of DoDI 1000.30, “Reduction of Social Security Number (SSN) Use Within the DoD,” requiring justification to collect and use the SSN.
2. The Exchange Accounts Receivable Files is a system of records consisting of information collected from potential, past, or authorized Exchange patrons. Disclosure of information is necessary so the Exchange can take steps to process, monitor, and post audit accounts receivable, to administer the Federal Claims Collection Act, to answer inquiries pertaining thereto, and report to the consumer reporting agencies as an incentive for debtors to repay delinquent Federal Government debts. The SSN is used to search for responsive documents relative to such debt.
3. The applicable acceptable uses for collection and use of the SSN are (4) Interactions With Financial Institutions and (12) Operational Necessity. SSN collected is necessary to open accounts, locate accounts, and to correspond with financial institutions and places of employment for the need of garnishing wages, salaries, or to collect credit information. Tax related issues require the use of the SSN. These uses are consistent with the SSN Instruction Use Case in Enclosure 2 section 2.c.(4), and (7) of DoDI 1000.30.
4. The Systems of Records (SORNs) associated with the Exchange Accounts Receivable Files is currently AAFES 0702.34, “Accounts Receivable Files.” Exchange systems are stand-alone technologies and not part of the Department of Defense Business Information Systems. There is no DIPTR number to provide. Information maintained within this system is being consolidated into SORN DoD 00xx, “Patron Authorization, Retail and Services,” and once approved and published, AAFES 0702.34 will be rescinded.
5. Authorities supporting collection of the SSN are Title 10 U.S.C. §7013, Secretary of the Army; Title 10 U.S.C. §9013, Secretary of the Air Force; Federal Claims Collection Act of 1966 (Pub.L. 89-508, as amended) and Debt Collection Act of 1982 (Pub.L 97-365, as amended), as amended by the Debt Collection Improvement Act of 1996 (Pub.L 104-134, section 31001) as

6. The Exchange has taken steps to minimize the risk of unauthorized access to information located in this system of records. Paper and electronic records are maintained in controlled areas which are accessible only to authorized personnel in controlled facilities. Physical entry is furtherly restricted by use of locks, guards, and accessible only to authorized personnel. Access to records is limited to person(s) with an official “need to know” responsible for servicing the records in performance of their official duties who have been properly screened and cleared for access. Computerized access is controlled by role-based security and restricted with passwords, which are changed periodically.
