

Embassy Contacts -

Please see the attached approved message soliciting nominations for the Service Academy Foreign Student Program Class of 2022. Countries with an "N" next to them are eligible to nominate to the United States Naval Academy. We are disseminating this message and our nomination forms (attached) as an invitation to nomination up to six students to the United States Naval Academy.

Per USC Title 10, the United States Naval Academy is allowed to have 60 international students in the Brigade of Midshipmen at any given time. We are also only allowed to have three international students from any given country (or a fourth with a waiver by the Secretary of Defense for Personnel and Readiness).
