**II. Medicaid Billing Information: You *must* answer the following question regarding Medicaid billing.**

At this site, will the covered entity bill Medicaid fee-for-service for drugs purchased at 340B prices?

Yes                       No

If the answer is yes, please provide the state(s) and associated billing number(s) listed on the claims to bill Medicaid fee-for-service for particular states that you plan to bill for 340B drugs in the space(s) below (this could include numbers for the state your hospital is located in and any out-of-state Medicaid agencies your hospital plans to bill for 340B drugs). All numbers you plan to use to bill Medicaid fee-for-service should be provided and may include the billing provider's national

provider identifier (NPI) only, state assigned Medicaid number only, or both the NPI and state assigned Medicaid number. Do not list a state for which the covered entity will not bill Medicaid fee-for-service for drugs purchased at 340B prices.

HRSA exports the Medicaid billing information listed in this site's 340B OPAIS record to generate the quarterly Medicaid exclusion file (MEF). HRSA requires the information on the MEF be accurate and complete for every registered site in the 340B OPAIS, and that covered entities follow any additional state Medicaid requirements in order to prevent duplicate discounts.

While this site may request a change to its 340B OPAIS record at any time, the Medicaid fee-for service billing practice at this site, must match the quarterly MEF.

| State | State Assigned Medicaid Number | NPI |
|-------|--------------------------------|-----|
|       |                                |     |
|       |                                |     |
|       |                                |     |

**All covered entities should notify OPA prior to any change in Medicaid billing status. For more information, please visit the HRSA website.**
