

Attachment 11A: Documentation of NEARS in DFVED OES System

The screenshot displays the 'Enterprise Systems Catalog' interface. At the top, it says 'Welcome, Laura Brown (LRG0)' and includes navigation links for Home, Glossary, About, Help Desk, and the CDC logo. Below the header is a navigation bar with 'Add IT Record', 'My IT Portfolio', 'All IT Records', 'Advanced Search', and 'Reports'. The main content area is titled 'Summary' and features a computer monitor icon. The system name is 'DFWED Outbreak_Event Surveillance' with an IT Record ID of 2350. A 'Basic Info' tab is selected, showing details such as the IT Record Name, Admin Code (HCVLB1), and a list of derived parties including CDC, DDID, NCEZID, and OD. It also lists the investment ID (2343), production dates, retirement status, and a detailed description of the system's purpose and data collection.
