PARTICIPANTS WANTED FOR A RESEARCH STUDY

The National Opinion Research Center is looking for young people aged 13 to 24 to test health and behavior questions that may be used on a survey.

- Are you, or is your child, aged 13-24?

- Are you willing to share your experiences around youth health and how youth are staying healthy?

- Do you currently live in the city of Baltimore and have approximately 60 minutes for an interview?

If you said YES to these questions, we want you to take part in an interview about youth health! If you/your child participates, you will receive \$50.

- The interview will last approximately 60 minutes
- It can be completed at your home, by having an interviewer come to your house at your convenience or by doing an interview securely over a video call.

If you are interested, please contact NAME to answer a few questions and schedule an interview time at:
