## The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents, and do you have a sampling plan for selecting from this universe?  
 Yes  No

If the answer is yes, please provide a description of both below (or attach the sampling plan). If the answer is no, please describe how you plan to identify your potential group of respondents and how you will select them.

We will construct a participants list for the respondents that will be electronically generated and collected in an excel spreadsheet. The meeting will be advertised through our two SeroNet Listservs and through the NCI Registration Site Website: SeroNet Investigators Meeting (Overview) | Events Registration (cancer.gov) and will be inviting only.
