STATEMENT OF CONFIDENTIALITY

The purpose of the information collection is to conduct reviews of clinical trial studies. NCI guidelines mandate the participation of institutions in the CIRB for Network group studies. You are being requested to complete this instrument so that we can conduct activities involved with the operations of the NCI CIRB Initiative. Although your participation in Network group research and completion of the forms is voluntary, if you wish to participate in the CIRB, you must complete all questions on the form. The information you provide will be combined for all participants and reported as summaries. It will be kept private to the extent provided by law.

NOTIFICATION TO RESPONDENT OF ESTIMATED BURDEN

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0753). Do not return the completed form to this address.

Enter the email address of the Signatory Institution Principal Investigator who will be taking over this study.
The new PI of record must have the treating site(s) identified on the Site Preferences included on the 1572 linked to their RCR profile. The PI must also be included on a participating Network Roster for each treating site. Please contact the CTSU at 1-866-651-2878 for additional assistance.
(Required)

*If the PI's name does not appear above the email address field, this means there is no active account associated with this email address. Please confirm the email address is correct and that it is the email address associated with the PI in IAM.
If the email address is correct and the PI name still does not appear, you will need to complete a Signatory Personnel Form to add the PI to the CIRB roster and send it to your Signatory Institution Primary Contact Person for approval and submission to the NCI CIRB Helpdesk for inclusion onto to your institution's roster with NCI CIRB.*

Use the text box below to list the study or studies that should have the current PI changed to the new PI. Each study should be listed on its own line. This worksheet is restricted to 50 studies. If you are changing the PI on more the 50 studies, you will need to submit additional Change of PI worksheets.
(Required)

[Add Note](#) [View Audit](#)

Changes should not be reported on this Worksheet. If study-specific or PI-related changes need to be reported to the CIRB, please submit a revised Study-Specific Worksheet or revised PI Worksheet once this Change of PI Worksheet has been approved.
(Required)

I confirm that no changes are being reported on this Change of PI Worksheet, as this Worksheet is only used as a mechanism to transfer study oversight between Principal Investigators.
