

Substance Abuse and Mental Health Services Administration

Government Performance and Results Act Client/Participant Outcome Measures

No Material or Nonsubstantive Change Justification

The Substance Abuse and Mental Health Services Administration (SAMHSA) is requesting a no material or nonsubstantive change approval from the Office of Management and Budget (OMB) for (OMB No. 0930-0208) Government Performance and Results Act Client/Participant Outcome Measures.

SAMHSA strives to be a data driven agency and to that end has made significant revisions to the Government Performance and Results Act Client/Participant Outcome Measures data collection instruments based on both external and internal stakeholders' consultation and feedback. The revisions were made in an effort to reduce burden on the general public including grantees that utilize these instruments for reporting purposes. In its' continued dedication to improving the functionality of the revised Government Performance and Results Act Client/Participant Outcome Measures and decreasing grantee burden SAMHSA has made the following nonsubstantive changes:

- Minor linguistic edits and uniformity of terminology to improve clarity.
- Improved instruction narrative impeded in the instrument to improve the quality of data.
- Spanish language version

SAMHSA is requesting approval of no material or nonsubstantive changes to (OMB No. 0930-0208) Government Performance and Results Act Client/Participant Outcome Measures in an effort to improve the quality of data collected and ensure a burden reduction.
