

APPOINTED REPRESENTATIVE REGISTRATION via INTERNET by Phone or Paper Form

- 1) Go to <https://secure.ssa.gov/acu/LoginWeb/loginHandler.do?SUITE=AR> and select the link "Did you register with SSA by phone or paper form and need to create a password"?

The screenshot shows the 'Business Services Online' login page. At the top, there is a navigation bar with 'Social Security Online', 'www.socialsecurity.gov', 'BSO Welcome | BSO Information | Keyboard Navigation', and a 'HELP' link. Below this is a header with the Social Security Administration logo and the text 'Log In to Online Services'. A red security warning reads: 'For your security, please log out of the application and close all Internet windows when you are finished.'

On the left, under 'Online Services Availability', the following hours are listed:

- Monday-Friday: 5 AM - 1 AM ET
- Saturday: 5 AM - 11 PM ET
- Sunday: 8 AM - 11:30 PM ET

The main content area is split into two columns:

- New User?**: A section explaining that a new account must be created. It lists requirements: 'Provide personal information', 'Provide contact information', and 'Create your password and security questions'. A link 'Create Log In Account' is provided. Below this, a link asks: 'Did you register with SSA by [phone or paper form](#) and need to create a password?'
- Existing User?**: A section for logging in. It includes fields for 'User ID' (containing 'WTRSK9NT') and 'Password' (masked with dots). There are links for 'Forgot user ID?' and 'Forgot your password?'. Below is a 'User Certification' section with a scrollable text area containing: 'I understand that the Social Security Administration (SSA) will validate the information I provide against the information in SSA's files.' and a checkbox for 'I have read & agree to these terms.' A 'Log In' button is at the bottom right.

The footer of the page repeats the navigation links: 'www.socialsecurity.gov', 'BSO Welcome | BSO Information | Keyboard Navigation'.

- 2) Now turn the computer over to the rep. Ask the rep to read the **Complete Phone Registration Attestation** and select **I Accept**.

Complete Phone Registration Attestation

Please read the following information about registering to use Business Services Online.

Please select the link below to read about SSA's legal authority for collecting information.

Enter Text-Enabled Cell Phone Number

*Indicates Required Information

The following services you are activating require an increased level of security due to the sensitive information they may contain:

- Access Claimant's Electronic Folder

Provide a Cell Phone Number

A text-enabled cell phone number must be provided so that SSA can send a one-time password to you by text message whenever you access specific services. This text-enabled cell phone number will also be used for services you request in the future.

***Text-enabled Cell Phone Number:** [Why do I need a text-enabled cell phone? \[?\]](#)

⚠ Make sure your cell phone is available before you continue!
Please allow up to two minutes for the text message to arrive. The one-time password will be valid for a total of 10 minutes from the time of your request.

< Back Cancel Next >

10) On the **Verify Your Cell Phone Number** screen, the rep enters the **OTP** in the field and selects **Next**.

You have successfully activated Appointed Representative Registration.

The service(s) listed are now available from the Main Menu.

Electronics Record Express Log In

Explain to the rep that the following steps are required each time they access a claimant's electronic folder.

1) Have the rep select **Enter ERE**.

The screenshot displays the 'Appointed Representative Services' interface. It features a section titled 'Electronic Records Express(ERE)' which lists authorized services: 'Access Claimant's Electronic Folder', 'Send Response for Individual Case', 'Communication Utility', and 'Get Status Reports'. Below this list is a button labeled 'Enter ERE', which is highlighted with a red arrow. A 'Log Out' button is located at the bottom of the page. A 'Registration' section below the ERE section states that internet registration is currently unavailable and provides instructions to complete paper form SSA-1699 and fax it to 1-877-268-3827.

2) Have the rep select the **Access Claimant's Electronic Folder** link. The system sends a new OTP to the rep's cell phone. This happens quickly!

NOTE: The rep should NOT double-click; it will generate multiple OTPs, and only the most recent will be valid.

3) Have the rep enter the **OTP** and select **Next**.

4) The **Acknowledgement for Online Services** screen is where the rep will enter a claimant's SSN, but not today! The linking process takes place overnight – the rep will not have access to a claimant's folder for 24-hours.

The screenshot shows a web-based agreement form titled "ERE: Electronic Folder Agreement". The main heading is "Acknowledgement for Online Services". Below this, it states: "By entering this United States Government Website, I agree to the following terms and conditions:". This is followed by a bulleted list of five terms: not disclosing information without consent, not knowingly furnishing false information, installing security software, updating systems, and not storing User-IDs and passwords. A "WARNING" section follows, detailing consequences for improper disclosure or furnishing false information, including suspension, disqualification, fines, and imprisonment. At the bottom, it says: "By providing the Claimant's Social Security Number to access his or her Electronic Folder and selecting the 'I Agree' button, you certify that you have read, understand, and agree to the above statements." Below this is a text input field for the "Claimant's Social Security Number (SSN)". At the very bottom are two buttons: "I Agree" and "Cancel".

5) Point out the **User Resources** that are available in electronic format. User Resources includes guides that walk the rep through all the services available to them in ERE. User Resources can be found on most screens in ERE.

6) Have the rep select **Sign Out** in the upper left.

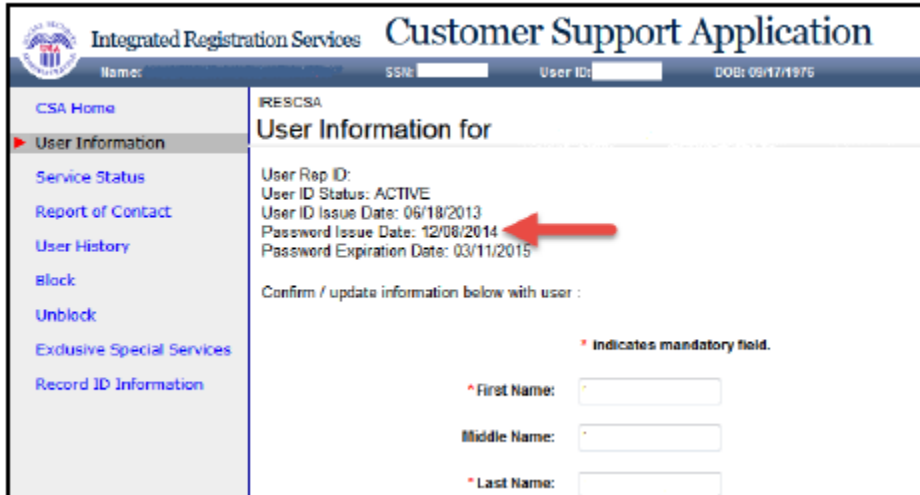

7) Ask the rep if he or she would like to walk through the log-in process one more time together. If yes, have the rep log into www.socialsecurity.gov/ar .

8) Complete the *In-Person Proofing Check Sheet (ARTS)* after each enrollment. Use this check sheet to add all enrollment status entries into ARTS.

9) You may log-out of the workstation or refresh to avoid PII disclosure!

Completing Enrollment – Existing Password

The CSA **User Information** screen will display a date in the **Password Issue Date** field if the rep previously created a password.
