TITLE OF INFORMATION COLLECTION: Child Welfare Information Gateway’s 2021/2022 Prevention Resource Guide Survey

PURPOSE: Child Welfare Information Gateway (Information Gateway) is a service of the Children’s Bureau (CB), a component within the Administration for Children and Families (ACF) and is dedicated to the mission of connecting professionals and concerned citizens to information on programs, research, legislation, and statistics regarding the safety, permanency, and well-being of children and families.

The Information Gateway oversees the National Child Abuse Prevention Month and produces the Prevention Resource Guide as a part of this initiative. The Prevention Resource Guide is available for download at <https://www.childwelfare.gov/topics/preventing/preventionmonth/resources/resource-guide/> and seeks to highlight the innovative ways that communities around the country are doing purposeful prevention work to help children and families thrive.

The Prevention Resource Guide Survey is designed to collect input from visitors to the website to ensure that Prevention Resource Guide meets the needs of customers. The survey will assess customer type, experience with the Prevention Resource Guide, and how customers intend to use the information and resources from the Prevention Resource Guide.

The Information Gateway will use the information collected in the surveys to inform updates to future Prevention Resource Guides.
