## The Grantee Exchange Platform New User Survey

We are conducting this survey to better understand how you may choose to access and share information with your fellow grant recipients (formerly known as “grantees”). The feedback you provide you will be used to inform the design and implementation of efforts to better connect grant recipients to knowledge and to each other, in service of achieving grant goals. The survey is voluntary and should take about five minutes to complete. You may exit the survey at any time and are free to decline to answer any question. There are no foreseeable risks and no direct benefits from participating in this survey. Proceeding with the survey is an indication of your consent. If you have any questions or require accessibility assistance with this survey, please contact Information Gateway staff by email at [info@childwelfare.gov](mailto:info@childwelfare.gov) or by phone at [800.394.3366](tel:800.394.3366).
