The Grantee Exchange Platform Experienced User Survey

Child Welfare Information Gateway has developed the Grantee Exchange knowledge management (KM) platform to support collaboration, learning, and information sharing among grant recipients (formerly known as “grantees”). We are conducting this survey to better understand your experience with the platform, so we can make modifications to the Grantee Exchange platform that will better meet your needs. The survey is voluntary and should take about five minutes to complete. You may exit the survey at any time and are free to decline to answer any question. There are no foreseeable risks and no direct benefits from participating in this survey. Proceeding with the survey is an indication of your consent. If you have any questions or require accessibility assistance with this survey, please contact Information Gateway staff by email at info@childwelfare.gov or by phone at [800.394.3366](tel:800.394.3366).
