## CET – Annotated Questionnaire (Wave 47)

> *Note: The questions below are the proposed questions for the forty-seventh wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 47 only or are being asked again to update data on a variable of interest. We will be fielding questions about boosters, the Omicron variant, parents' vaccination decisions, recent experiences with COVID, natural immunity, and masking.*
