Privacy Act Statement

Authority: The information requested is authorized by the National Wildlife Refuge System Administration Act (16 U.S.C. 668dd-ee) as amended and the Refuge Recreation Act (16 U.S.C. 460k – 460k-4, 640K-3, & 664).

Purpose: The collection of personal information is to verify that an individual is eligible to receive a permit to conduct monitored activity on areas within the National Wildlife Refuge System, national fish hatcheries, and other conservation areas administered by the Secretary of the Interior for fish and wildlife purposes.

Routine Uses: The individual's information will be used to verify permit status, provide permittees with permit-related information, and monitor activities conducted under a permit. This information may be shared in accordance with the Privacy Act of 1974 and the routine uses listed in the System of Records Notices: FWS-5 National Wildlife Refuge Special Use Permits; FWS-21 Permits System; FWS-10 National Fish Hatchery Special Use Permits.

Disclosure: Providing the information is voluntary; however, as a requirement for maintaining a Federal permit under the National Wildlife Refuge System Administration Act, failure to disclose the requested information may be sufficient cause for revocation of the permit.

Paperwork Reduction Act Statement

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501 et seq.) to evaluate the qualifications, determine eligibility, and document permit applicants, and to respond to requests made under the Freedom of Information Act and the Privacy Act of 1974. This information is required in order to obtain or retain a benefit; however, failure to provide all required information is sufficient cause for the U.S. Fish and Wildlife Service to deny a permit. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this information collection and assigned control number 1018-0140.

Estimated Burden Statement

Public reporting for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, 5275 Leesburg Pike, MS: PRB (JAO/3W), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov.
