		If you think this eligibility basis is incorrect, you can change it after you start your application.	
		(IF USER SKIPS ELIGIBILITY TOOL OR RECEIVED A 'YOU MAY NOT BE ELIGIBLE' CONFIRMATION SCREEN) You will need to select your basis for eligibility after you start your application.	
	Cost	If you are under 75 years old, the application fee is \$680. This includes the \$595 standard fee plus an \$85 biometrics service fee. If you are 75 years or older, there is no biometrics fee, so the fee is \$595.	
	Filing online	Submitting your application online is the same as mailing in a completed paper form, and they both gather the same information (and cost the same).	
	Security	If you do not work on your application for more than 30 days, we will delete your data in order to prevent storing personal information indefinitely. If your data are deleted, you can restart the application at any time.	
What happens after I apply?	Biometrics appointment	A few weeks after you submit your application, we will contact you to schedule an appointment at an Application Support Center near you. At the appointment, we will get your fingerprints, photograph, and signature.	
	Request for evidence	If we need more information, we will contact you by email and through a written notice in the mail to ask for other documents. This may happen before or after your interview.	
	Interview	After your biometrics appointment, we will schedule your interview at a local USCIS field office (unless you qualify for a special accommodation). At the interview, you will answer questions about your application, then take the civics and English tests if required.	
	Oath of Allegiance	Once your application is approved, you will be ready to take the Oath of Allegiance! At your naturalization ceremony, you will return your Permanent Resident Card, answer questions about your activity since the interview, take the Oath of Allegiance, and get your Certificate of Naturalization.
