

Evaluation of the Model Minimum Uniform Crash Criteria

This new information collection request has 2 separate collections (see table below). The first collection “Police Chiefs nomination of law enforcement officer for study participation” does not have any forms or CFRs associated with it. NHTSA will contact police chiefs within the 397 sampling units used by NHTSA’s Crash Reporting Sampling System (CRSS) to request the nomination of four law enforcement officers in their department who collect crash data to participate in the study.
