HOW TO USE THIS FORM

Use this form to apply for a request for restoration of entitlement for Department of Veterans Affairs Veterans Readiness and Employment (VR&E) benefits used at a facility that has closed or program of training or course has been disapproved. Please respond to all required questions regardless of the type of facility you were attending and provide the requested documentation.

With limited exception, the VA can restore entitlement only for the period of enrollment in which you did not receive credit (or in which you lost training time). Generally, this means that entitlement can only be restored for the single term you were enrolled in when your program of training or course was disapproved, or the facility closed.

Effective August 1, 2021 through September 30, 2023, VA is able to restore entitlement for the entire program of education, not just the last term, quarter, or semester if you were not able to transfer at least 12 credits to a new school and your last enrollment period was within 120 days of the facility closure or disapproval. Claims for this temporary provision must be received after enrollment at the new school and on or before September 30, 2023.
