RESPONDENT BURDEN: Public reporting burden for this collection of information is estimated to average 10 minutes per response. Statutory authority for casket or urn reimbursement is 38 U.S.C. 2306 for deaths **occurring on or after January 10, 2014 if interred in a VA national cemetery or on or after December 14, 2016 if interred in a VA-funded State or Tribal cemetery.** The information requested is approved under OMB Control Number 2900-0799 and is necessary to allow a person authorized to purchase a casket or urn for the decedent to request reimbursement for the cost of such a burial receptacle. The National Cemetery Administration does not give, sell or transfer any personal information outside of the agency. VA may not conduct or sponsor, and you are not required to respond to, this collection of information unless it displays a valid OMB Control Number. Responding to this collection is voluntary.

PRIVACY ACT INFORMATION: VA is asking you to provide the information on this form under 38 U.S.C. VA may disclose the information that you put on the form as permitted by law. VA may make a "routine use" disclosure of the information as outlined in the applicable Privacy Act system of records notice (48VA40B, Veterans (Deceased) Headstone or Marker Records - VA, as published in the Federal Register on August 26, 1975, (40 FR 38095)). Providing the requested information is voluntary, but if any or all of the requested information is not provided, it may delay or result in denial of your request for reimbursement. VA may also use this information to identify Veterans and persons claiming or receiving VA benefits and their records and for other purposes authorized or required by law.
