We need to update the title of this survey: <https://www.surveymonkey.com/r/WeRuleEval21>

The current title is We Rule: Civics for All of US Program Evaluation and I'd like to drop the "We Rule" and change it to Civics for All of US Program Evaluation.

This will reflect the name change of our civic education initiative and match our teacher PD survey: <https://www.surveymonkey.com/r/CivicsUSEdPro>.
