

306(a)(1) [15 U.S.C. 7244(a)(1)]. Section 306(a) of the Act prohibits any director or executive officer of an issuer of any equity security, directly or indirectly, from purchasing, selling or otherwise acquiring or transferring any equity security of that issuer during any blackout period with respect to such equity security, if the director or executive officer acquired the equity security in connection with his or her service or employment. Approximately 1,230 issuers file Regulation BTR notices approximately 5 times a year for a total of 6,150 responses. We estimate that it takes approximately 2 hours to prepare the blackout notice for a total annual burden of 2,460 hours. The issuer prepares 75% of the 2,460 annual burden hours for a total reporting burden of $(1,230 \times 2 \times 0.75)$ 1,845 hours. In addition, we estimate that an issuer distributes a notice to five directors and executive officers at an estimated 5 minutes per notice $(1,230 \text{ blackout period} \times 5 \text{ notices} \times 5 \text{ minutes})$ for a total reporting burden of 512 hours. The combined annual reporting burden is $(1,845 \text{ hours} + 512 \text{ hours})$ 2,357 hours.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Extension:
Form 4

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Under the Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) every person who is directly or indirectly the beneficial owner of more than 10 percent of any class of any equity security (other than an exempted security) which registered under Section 12 of the Exchange Act (15 U.S.C. 78l), or who is a director or any officer of the issuer of such security (collectively "insider"), must file a statement with the Commission reporting their ownership. Form 4 is a statement to disclose changes in an insider's ownership of securities. The information is used for the purpose of disclosing the equity holdings of insiders of reporting companies. Approximately 338,207 insiders file Form 4 annually and it takes approximately 0.5 hours to prepare for a total of 169,104 annual burden hours $(0.5 \text{ hours per response} \times 338,207 \text{ responses})$.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

New ICR:

OASB Generic Clearance Request

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this new collection of information to the Office of Management and Budget for extension and approval.

The Commission's Office of the Advocate for Small Business Capital Formation ("Office") seeks to collect feedback from small businesses and their investors to understand better the population that it is serving and their role in the small business ecosystem. The proposed collection of information will help ensure that the Office's outreach efforts and communication materials and other program initiatives are effective and responsive to customer needs. More specifically, the Office will seek the following four categories of information: (i) Demographic information about program participants, (ii) feedback on the Office's outreach and educational materials, (iii) capital formation-related questions, and (iv) issues and challenges faced by small businesses and their investors. This feedback will allow the Office to tailor its outreach efforts and communication materials to serve its customers more effectively. Collecting feedback will also allow the Office to understand better its target audience and improve outreach events and educational materials by optimizing their content and delivery, while strategizing how best to deploy the Office's resources to address issues and challenges faced by its customers.

Feedback collected under this generic clearance will provide useful
