SUBJECT: Thank you from FNS

Dear [SFA Director],

Thank you for participating in the SFA Survey II on School Food Supply Chain Disruption and Student Participation. Your responses will provide FNS with critical information on how continued supply chain challenges, as well as the return to standard operations, are affecting school districts and students in communities nationwide. Your responses will also help FNS and its partners to identify potential solutions and resources needed to support school districts in serving nutritious meals to students during this difficult time.

If you have any additional questions, please contact me at CNsurveys@usda.gov.

Sincerely,

Sarah Reinhardt
