BE-13 Claim for Exemption

1 Why is this U.S. business enterprise filing a claim for exemption from forms BE-13A, BE-13B, and BE-13D? Select one:

050

- 1** This U.S. business enterprise was contacted by BEA; however, there is no reporting requirement because there was no acquisition, establishment, or expansion by a foreign entity OR because a transaction occurred but did not result in a direct investment relationship. For more information for transactions that must be reported on a BE-13, please refer to the "Who Must Report" section on the BE-13A, BE-13B, and BE-13D forms.

3 Explanation (optional):

- 2** This U.S. business enterprise was contacted by BEA; however, the acquisition that occurred is not required to be reported since it represents U.S. real estate acquired and held exclusively for personal use and not for profit making purposes.
- A residence which is an owner's primary residence that is then leased by the owner while outside the United States, but which the owner intends to reoccupy, is considered real estate held for personal use and not subject to the reporting requirements.
 - Ownership of U.S. residential real estate by a corporation whose sole purpose is to hold the real estate for the personal use of the owner(s) of the corporation is considered to be real estate held for personal use and not subject to the reporting requirements.

- 3** This U.S. business enterprise was contacted by BEA; however, the acquisition that occurred is not required to be reported since it involves the acquisition of voting interest in an existing U.S. affiliate in which a foreign entity already owns 10 percent or more, directly or indirectly.

What is the BEA ID number, if known, used to file the BE-605, BE-12, or BE-15 forms for this existing U.S. affiliate?

2

NOTE: A BE-13 form will be required when the holding company acquires or establishes a U.S. business enterprise.

- 5** This U.S. business enterprise was contacted by BEA; however, there is no reporting requirement because the U.S. business enterprise is a private fund, AND the private fund does not own, directly or indirectly through another business enterprise, an operating company (a business enterprise that is not a private fund or a holding company) in which the foreign parent owns at least 10 percent of the voting interest (directly, or indirectly through another U.S. business enterprise), AND if the foreign parent owns the private fund indirectly (through one or more other U.S. business enterprises), there are no U.S. operating companies between the foreign parent and the indirectly-owned U.S. private fund.

NOTE: The foreign investment in the U.S. private fund may be required to be reported on Treasury International Capital (TIC) Surveys. Review reporting requirements for TIC surveys at www.treasury.gov/tic.

For more information regarding private funds visit www.bea.gov/privatefunds.

- 6** This U.S. business enterprise has not previously filed a BE-13, BE-605, BE-12, or BE-15 AND the voting interest in this U.S. business enterprise is owned to the extent of 50 percent or less by another U.S. business enterprise that is subject to the filing requirements of the BE-13A.

What is the name of the U.S. business enterprise that is filing the BE-13A?

051 **1**

- 7** The total cost of the acquisition, establishment, or expansion is \$3 million or less. The "total cost" consists of all actual and expected costs to all foreign parents' affiliated foreign groups and their U.S. affiliates, including costs funded through debt.

PROCEED to question **2**.

If your answer to question **1** is 6 or 7, complete questions **2** through **13**.

If your answer to question **1** is 1, 2, 3, 4, or 5, you have completed this form. RETURN TO COVER PAGE FOR FILING INSTRUCTIONS.
