Dear Sarah Roberts:

On 7/1/2022, the IRB reviewed the following submission:

Type of Review:	Modification / Update
Title:	Preferences for Longer-Acting Preexposure Prophylaxis (PrEP) Methods Among Persons in U.S. Populations at Highest Need: A Discrete Choice Experiment
Investigator:	Sarah Roberts
IRB ID:	MOD00001526
Funding Source:	CDC PGO
Customer/Client Name:	CDC PGO
Project/Proposal Number:	0213618.042.000.005
Contract/Grant Number:	75D301-21-Q-73868 200-2013-M-53964B
IND, IDE, or HDE:	None

The IRB approved the modification on 7/1/2022. Any changes to the approved study protocol or documents must be submitted to the IRB as a modification for review and approval prior to implementation. Within 30 days of study completion, you should request to close the study in IRB Express. You can submit a modification or study closure by navigating to the active study and clicking Create Modification / CR.

In conducting this protocol, you are required to follow the requirements listed in the Investigator Manual (HRP-103), which can be found by navigating to the IRB Library within the IRB system.

Sincerely,

The RTI Office of Research Protection
