## NCIPC Data Management Plan Template

**Project Identifiers and Description of Data Project Title: Principal Investigator Agency/Contact Information** Data Steward (if different from Principal Investigator) **Funding information (type** and number) Data Publisher/Owner Last date DMP updated **Tags** Tags (or keywords) to help users discover the data set; please include terms that would be used by technical and non-technical users. Brief Description of project and data that will be collected. Include information on the public health impact. Human-readable description (e.g., an abstract) with sufficient detail to enable a user to quickly understand whether the data set is of interest. **Population Represented by Dataset:** Describe population represented by the data, e.g. "residents of X", "inpatients at X", "users of product Χ". **Location of Raw Dataset** 

Public reporting burden of this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74 Atlanta, Georgia 30333; ATTN: PRA (0920-xxxx)
