List the respondent name first followed by the remaining RU members. Across the top of the grid display the options from

Footn ote	Label	Interacti ons	Variable	Description
				which to select topics each household member answered questions about. The topics are: Conditions, Doctor's Visits, Other Medical, Prescribed Medicines, Jobs, Health Insurance. The system will REQUIRE the user to select at least one check box in each column.
23	The following records were used during the interview (CA30 and OM80). In addition to providing records such as these, do you have any tips about how the RU can help collect better data in the next round.		The system will display text from CA30 and OM80 from CAPI. Show label associated with each Yes response associated with the following CA30 variables: MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].ProvHinsStmt MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].PtntPortal MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].PymtRec MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].RxRecBottle MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].RxRecBottle MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].RxRecBottleIn fo MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].VecCaIndr MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].OthRec MEPSSpring2018.CA_Main.CA30Grid.CA30Grid[125].OthRec Show label associated with each response selected at the following OM80 variable for any person: MEPSSpring2018_PersSect.OM_Main.OM_RecordsTable.OM_Recor ds[11]	The system will display the records of the household use and text box to record additional response. ALLOW THE MAXIMUM NUMBER OF LINES AND CHARACTERS PER LINE THAT THE SCREEN WILL PERMIT.
24	Enter any additional special instructions that should be carried over to the next round that would help with the completion of the interview?			The system will display text box for response. Add to the spec for 21: IF ROUND > 1, DISPLAY "ADDITIONAL OR DIFFERENT". IF ROUND 1, USE A NULL DISPLAY. Add to the spec for 24: IF ROUND > 1, DISPLAY

Footn ote	Label	Interacti ons	Variable	Description
				"ADDITIONAL". IF ROUND 1, USE A NULL DISPLAY.
				ALLOW 270 CHARACTERS.
25	Which of the following strategies, if any, helped you convert this refusal?			The system will display checkboxes for the response options. This question needs to be displayed only if ever given a refusal status code this round.
				• Asked a different RU member to complete the interview
				• Emphasized the respondent incentive
				<ul> <li>Provided reassurance about the confidentiality of the data</li> </ul>
				• Promoted the importance of MEPS data and statistics for healthcare policy and research
				• Made a personal link between the RU members and the purpose of MEPS (e.g., costs and concerns about caring for an elderly household member)
				• Emphasized flexibility in the day, time or place of interview to accommodate respondent

Footn ote	Label	Interacti ons	Variable	Description
				• • Responded directly to "takes too much time" as a barrier to participation
				• Set interview up as just agreeing to this interview, not necessarily the whole panel; noted can stop participating at any time
				• Switched language of interview, or used an interpreter
				• Emphasized that the RU cannot be replaced in the sample
				Offered to conduct the interview by phone
				• Approached RU member as if unaware of any prior contacts
				Used another strategy (specify)
				Note: Display only if ever given a refusal status code this round.
				These items are enabled only when the case had been a temporary refusal at some point during the round - otherwise both are not only

Footn ote	Label	Interacti ons	Variable	Description
				non-mandatory, they should be disabled
26	Used another strategy to conver this refusal -			The system will display text box for response.
	Specify			ALLOW 180 CHARACTERS.
27	Save button			Upon clicking the Save button, the system will display the following validation message:
				Do you want to Save the data?
				Upon successful Save, the system will display the following message:
				'RU Information Module Updated Successfully!'
28	Cancel			Clicking the Cancel and Close button will disregard all changes and return the interviewer to the Browse RU window.
