

# My Wage Report (myWR) Application Screen Changes

Last Updated: 03/03/2023

## Background

The myWage Report tool is an online wage reporting tool located within my Social Security portal. myWR is a part of mySSA project which uses the pro template for the screens. Available on a computer or smartphone, this tool allows certain recipients and representative payees with **my Social Security** account to report pay-slip information online.

## Purpose

The purpose of this document is to put together a screen package for all the screen changes, and any new screens added and to gain understanding in the changes in myWR application.
