

Study of Disability Services Coordinators and Inclusion in Head Start, 2019-2024

Instrument 1 Phase 1

Survey of EHS/HS Program Directors

March 17, 2022

NOTE: This questionnaire is annotated to show (1) headers for each module and the objective for that section; and (2) question numbers and instructions to the online survey programmer (in red). This text will not appear in the online survey.

Introduction

Thank you for agreeing to take part in this study. We are reaching out to Early Head Start (EHS)/Head Start (HS) Program Directors to help us identify all Disability Services Coordinators (DSCs) within their programs. We will use the contact information you provide to invite DSCs to participate in a nationally-representative survey about the DSC workforce. Your responses will also provide us with important contextual information about your program. Please remember that your responses will not be used for monitoring purposes. ACF funding for your program will not be impacted by your responses.

Who should complete the survey? The survey should be completed by **EHS/HS Program Directors of programs or agencies** that provide direct services to children in EHS/HS programs.

SCRN1. Are you the EHS/HS Program Director?

- a. Yes
- b. No

SURVEY TIPS:

Want to prepare for the survey?

- o Preview the full surveys here [LINK]

Check with others

- o Please discuss with colleagues, as needed, to identify the responses for your program

SAVE the survey at any time

- o come back to it later when you are ready

Definitions of Terms Used in Survey

Programmer's note: Include these definitions as a pop-up or roll-over that it accessible on every page of the survey.
