

# ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

## CET – Annotated Questionnaire (Wave 9)

Note: The questions below are the proposed questions for the ninth wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 9 only or are being asked again to update data on a variable of interest. This wave's module is Trusted Vaccine Messengers and Vaccine Challenges. This week we have added questions on COVID-19 risk perceptions and personal experiences with COVID-19 diagnoses.

ASPA will provide OMB with updates to the questionnaire for subsequent Waves.

### Standard Questions

### Modular Questions

### One-Time or Repeat Questions Being Asked Again to Update Data

For the next section we would like to talk about current events.
