

## CET – Annotated Questionnaire (Wave 82)

Note: The questions below are the proposed questions for the 82<sup>nd</sup> wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in this wave only or are being asked again to update data on a variable of interest.

For the next section we would like to talk about current events.

//BASE: All respondents//

Item #: Q1

Question Type: Single punch

// Soft Prompt: "We would like your response to this question."//

**boost\_auth:** Have you heard that the FDA recently authorized updated COVID-19 vaccines for people ages 5 and older who have received their initial vaccine series?

| Value | Value Label |
|-------|-------------|
| 0     | No          |
| 1     | Yes         |
| -99   | Refused     |

// Page Break //

//BASE: All respondents//

Item #: Q2

Question Type: Single punch

// Soft Prompt: "We would like your response to this question." //

**upvax\_elig:** Are you currently eligible to get an updated COVID-19 vaccine?

Variable Label: upvax\_elig: Self-reported eligibility for updated vaccine

| Value | Value Label  |
|-------|--------------|
| 0     | No           |
| 1     | Yes          |
| 99    | I don't know |
| -99   | Refused      |
| -100  | Valid Skip   |

// Page Break //

//BASE: All respondents//

Item #: Q3

Question Type: Single punch grid

// Soft Prompt: "We would like your response to this question."//

upvax\_know: Thinking about the updated COVID-19 vaccines, please respond to the following statements.

//PROGRAMMING NOTE: randomize variables in grid//

| Variable Name | Variable Text  | Variable Label                               |
|---------------|--|--|
| upvax_know_4  | The updated vaccines target the original strain of COVID as well as certain Omicron subvariants.   | upvax_know_4: Target Omicron and OG          |
| upvax_know_5  | Updated vaccines are currently free.   | upvax_know_5: Free of cost                   |
| upvax_know_6  | Only people who are fully vaccinated (that is, they have received two doses of Pfizer or Moderna, or one dose of Johnson & Johnson) are eligible to get an updated vaccine.  | upvax_know_6: Only fully vaccinated          |
| upvax_know_7  | Anyone 5 and older can get an updated COVID-19 vaccine if they received their last dose at least two months ago.   | upvax_know_7: 5+ eligibility                 |
| upvax_know_8  | Someone who's fully vaccinated (that is, they have received two doses of Pfizer or Moderna, or one dose of Johnson & Johnson) can get any brand of the updated vaccine, regardless of which brand(s) they previously received. | upvax_know_8: Mix and match                  |
| upvax_know_9  | Monovalent booster doses (the original booster shots) are no longer available for people 5 and older.  | upvax_know_9: Booster no longer available 5+ |

| Value | Value Label |
|-------|-------------|
| 0     | False       |
| 1     | True        |
| 98    | Not sure    |
| -99   | Refused     |
| -100  | Valid skip  |

Item #: Q4

Question Type: Single punch

// Soft Prompt: "We would like your response to this question." //

beh1\_cet\_r: Have you received a COVID-19 vaccine?

Variable Label: beh1\_cet\_r: Vaccination behavior

| Value | Value Label  |
|-------|--|
| 0     | No, I have not received a COVID-19 vaccine                           |
| 1     | Yes, but I have only received one shot out of the two required shots |
| 2     | Yes, I have received all of the required shots                       |

|     |         |
|-----|---------|
| -99 | Refused |
|-----|---------|

// Page Break //

//BASE: beh1\_cet\_r=1 or 2//

Item #: Q5

Question Type: Single punch

// Soft Prompt: "We would like your response to this question." //

vaccine\_id: Which COVID-19 vaccine did you receive?

Variable Label: vaccine\_id: Vaccine ID

| Value | Value Label               |
|-------|---------------------------|
| 2     | Johnson & Johnson/Janssen |
| 3     | Moderna                   |
| 4     | Pfizer-BioNTech           |
| 6     | Novavax                   |
| 5     | Other                     |
| 99    | I do not remember         |
| -99   | Refused                   |
| -100  | Valid skip                |

// Page Break //

//BASE: beh1\_cet\_r=2 //

Item #: Q6

Question Type: Single punch grid

// Soft Prompt: "We would like your response to this question." //

booster\_uptake7: U.S. health officials and medical experts now recommend additional COVID-19 doses after the initial vaccine series (two doses of Pfizer, Moderna, or Novavax; or one dose of Johnson & Johnson).

Boosters are additional doses you may have received after your initial series. Boosters were available from August 2021 to the end of August 2022.

Updated vaccines are COVID-19 vaccines reformulated to better target Omicron variants, sometimes called "updated boosters" or "bivalent boosters." Updated vaccines became available in early September 2022.

Have you received a COVID-19 vaccine booster or updated vaccine?

| Variable Name     | Variable Text   | Variable Label                     |
|-------------------|---|------------------------------------|
| booster_uptake7_1 | I have received one or more booster dose(s) (available August 2021-August 2022) | booster_uptake7_1: Booster         |
| booster_uptake7_2 | I have received an updated vaccine (available starting September 2022)          | booster_uptake7_2: Updated vaccine |

| Value | Value Label |
|-------|-------------|
| 0     | No          |
| 1     | Yes         |
| -99   | Refused     |
| -100  | Valid skip  |

// Page Break //

//BASE: beh1\_cet\_r=2//

Item #: Q7

Question Type: Dropdown menu

// Soft Prompt: "We would like your response to this question." //

**last\_dose:** Approximately when did you receive your **most recent** COVID-19 vaccine, booster, or updated vaccine dose? If you do not remember the exact date, give your best guess.

**Variable Label:** last\_dose: Date of most recent dose

Participants select date from range: December 1, 2020 to present

// Page Break //

//BASE: beh1\_cet\_r=2 AND booster\_uptake7\_2=0 or -99 //

Item #: Q8

Question Type: Single punch

// Soft Prompt: "We would like your response to this question." //

**booster\_likely\_v4:** What is the likelihood that you will get an updated COVID-19 vaccine?

**Variable Label:** booster\_likely\_v4: updated vaccine uptake likelihood

| Value | Value Label                 |
|-------|-----------------------------|
| 1     | Very unlikely               |
| 2     | Somewhat unlikely           |
| 3     | Neither likely nor unlikely |
| 4     | Somewhat likely             |
| 5     | Very likely                 |
| -99   | Refused                     |
| -100  | Valid skip                  |

// Page Break //

//BASE: beh1\_cet\_r=2 AND booster\_uptake7\_2=0 or -99 //

Item #: Q9

Question Type: Single punch

// Soft Prompt: "We would like your response to this question." //

**boost\_when:** How soon will you get an updated COVID-19 vaccine?

**Variable Label:** boost\_when: Wait to get vaccinated

| Value | Value Label   |
|-------|---|
| 1     | I will get an updated vaccine as soon as I can                |
| 2     | I will wait to get an updated vaccine for one or more reasons |
| 3     | I will never get an updated vaccine                           |
| -99   | Refused   |

Item #: Q13

Question Type: Single punch grid

// Soft Prompt: "We would like your response to this question." //

testing2: COVID-19 tests fall into two categories: Rapid tests (such as antigen tests) give results in a few minutes, and can be at-home tests or tests given at a pharmacy or other location. Laboratory tests (such as PCR tests) can also be taken at home or given at a pharmacy or other location, but must be sent to a laboratory to determine the results and it often takes a few days to receive results.

In the last month, have you...

| Variable Name | Variable Text                        | Variable Label                   |
|---------------|--------------------------------------|----------------------------------|
| testing2_1    | Taken a rapid test for COVID-19      | testing2_1: Took rapid test      |
| testing2_2    | Taken a laboratory test for COVID-19 | testing2_2: Took laboratory test |

| Value | Value Label  |
|-------|--|
| 0     | No, I have not taken this kind of test in the last month |
| 1     | Yes, and I tested <u>negative</u> for COVID-19           |
| 2     | Yes, and I tested <u>positive</u> for COVID-19           |
| -99   | Refused  |
