Step 2 of 6: Military Service

Upload your discharge papers

Please upload a copy of your military discharge papers (like your DD214, DD256, DD257, NGB22, or other separation documents). If you have more than one discharge document, please upload the one with the highest character of discharge. If you don't have your discharge papers, you can upload a copy of other official military documents (like proof of military awards or your disability rating letter).

You don't have to upload these documents. But it can help us verify your military service and may speed up your application process.

Tips for uploading:

- Upload documents as one of these file types: .jpg, .png, .pdf, .doc, .rtf
- Upload one or more files that add up to no more than 10 MB total.
- If you don't have a digital copy of a document, you can scan or take a photo of it and then upload the image from your computer or phone.

Step 4 of 6: Household Information

Financial disclosure

Next, we'll ask you to provide your financial information from the most recent tax year, which we'll verify with the IRS. We use this information to figure out if you:

1. Are eligible for health care even if you don't have one of the qualifying factors
2. Are eligible for added benefits, like reimbursement for travel costs or cost-free medications
3. Should be charged for copays or medication

Note: You don't have to provide your financial information. But if you don't have a qualifying eligibility factor, this information is the only other way for us to see if you can get VA health care benefits—including added benefits like waived copays.

Qualifying factors:

- Former Prisoner of War
- Received a Purple Heart
- Recently discharged combat Veteran
- Discharged for a disability that resulted from your service or got worse in the line of duty
- Getting VA service-connected disability compensation
- Getting a VA pension
- Receiving Medicaid benefits
- Served in Vietnam between January 9, 1962, and May 7, 1975
- Served in Southwest Asia during the Gulf War between August 2, 1990, and November 11, 1998
- Served at least 30 days at Camp Lejeune between August 1, 1953, and December 31, 1987
