- The Funding Requests listed in this FCC Form 486 have been approved by USAC as shown in my Funding Commitment Decision Letter (FCDL). I have confirmed with the service provider(s) featured in those Funding Requests that these services will start on or before July 31 of the Funding Year.
- I am providing notification that, as of the date of the start of discounted services, I am unable to make the certifications required by the Children's Internet Protection Act, as codified at 47 U.S.C. § 254(h) and (i), because my state or local procurement rules or regulations or competitive bidding requirements prevent the making of the certification(s) otherwise required. I certify that the schools or libraries represented in the Funding Request Number(s) on this FCC Form 486 will be brought into compliance with the CIPA requirements before the start of the Third Funding Year in which they apply for discounts.
- I certify that the services listed on this FCC Form 486 have been, are planned to be, or are being provided to all or some of the eligible entities identified in the FCC Form 471 application(s) cited above. I certify that there are signed contracts covering all of the services listed on this FCC Form 486 except for those services provided under tariff or on a month-to-month basis. I certify that I am authorized to submit this receipt of service confirmation on behalf of the above-named Billed Entity; that I have examined this request; and that, to the best of my knowledge, information, and belief, all statements of fact contained herein are true.
- I understand that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the services receive an appropriate share of benefits from those services. I recognize that I may be audited pursuant to this application and will remain for at least ten years (or whatever retention period is required by the rules in effect at the time of this certification) after the latter of the last day of the applicable funding year or the service delivery deadline for the funding request and all records, including FCC Forms 479 where required, and, if audited, will make such records available to the Administrator.
- I certify that as of the date of the start of discounted services: a. the recipient(s) of service represented in the Funding Request Number(s) on this FCC Form 486 has (have) complied with the requirements of the Children's Internet Protection Act, as codified at 47 U.S.C. § 254(h) and (i).
- I certify that as of the date of the start of discounted services: Pursuant to the Children's Internet Protection Act, as codified at 47 U.S.C. § 254(h) and (i), the recipient(s) of service represented in the Funding Request Number(s) on this Form 486: (FOR SCHOOLS and FOR LIBRARIES IN THE FIRST FUNDING YEAR FOR PURPOSES OF CIPA) is (are) undertaking such actions, including any necessary procurement procedures, to comply with the requirements of CIPA for the next funding year, but has (have) not completed all requirements of CIPA for this funding year.
- I certify that as of the date of the start of discounted services: The Children's Internet Protection Act does not apply because the recipient(s) of service represented in the Funding Request Number(s) on this FCC Form 486 is (are) receiving discount services only for telecommunications services.
- I certify as the Billed Entity for the consortium that the only services that have been approved for discounts under the universal service support mechanism on behalf of eligible members of the consortium are telecommunications services, and therefore the requirements of the Children's Internet Protection Act, as codified at 47 U.S.C. § 254(h) and (i), do not apply.
- I certify as the Billed Entity for the consortium that I have collected duly completed and signed FCC Forms 479 from all eligible members of the consortium.
- I certify that some or all of the eligible consortium members checked FCC Form 479 Item 6d to seek a CIPA Waiver, and upon request from the Administrator I can provide this information.
- I certify that no eligible consortium members checked FCC Form 479 Item 6d to seek a CIPA Waiver.
