

2022 RNDA Performance Survey

Information Page

PURPOSE: The Numbering Administration Oversight Working Group (NAOWG) of the North American Numbering Council (NANC) seeks aggregated input from your organization as to the yearly performance of the Reassigned Numbers Database Administrator (RNDA) services. Responses to the questions contained in this survey are intended to provide information relative to your satisfaction with the performance of the RNDA.

EVALUATION PERIOD: January 1, 2022 through December 31, 2022

SUBMISSION DEADLINE: 5 PM ET, March 31, 2023

QUALIFICATION: Respondents are asked to submit only one (aggregated) survey per functional entity, e.g., per service provider or per regulatory agency. If multiple surveys for an entity are received, the NAOWG will consolidate the responses so that one response per entity is counted.

SUBMITTING YOUR SURVEY: If you are not submitting your survey via the online tool, return your completed survey via email to the NAOWG contact listed below. Ensure the name of your organization and your last name are appended to the end of the file name, e.g. "2022_RNDA_Survey - Telco Jones.doc."

SURVEY DESCRIPTION: Your satisfaction ratings will be combined with all other survey responses for each of the questions. Your comments recorded in the comment box at the end of the survey are strongly encouraged, especially if a rating of "Not Met" has been selected. Specific examples of your experiences with the RNDA will provide valuable information concerning current processes that are working well and in identifying areas where process improvements are needed.

Complete all fields marked with an asterisk "*".
