Feedback Form

TITLE OF INFORMATION COLLECTION: Feedback form for soliciting feedback from local health departments (LHDs) on CDC's Interim Local Health Department (LHD) Strategy for Response, Control, and Prevention of Healthcare Associated Infections (HAI) and Antibiotic Resistance (AR).

PURPOSE: CDC will collect feedback from LHDs on the interim strategy and supplemental materials to inform updates to the strategy based on the needs and experiences of LHDs.

Dear Reviewer,

Thank you for agreeing to review CDC's Interim Local Health Department (LHD) Strategy for Response, Control, and Prevention of Healthcare Associated Infections (HAI) and Antibiotic Resistance (AR). CDC requests your open and detailed feedback on the strategy and accompanying materials, with a particular focus on the perceived feasibility of strategy implementation, the relevancy of the strategy goals and objectives for your local health department/jurisdiction, the utility of the strategy materials and activities for your local health department/jurisdiction, and any specific changes to the strategy or materials that can be made to improve clarity of language or intent. The information you provide will be used to inform updates to the strategy and considerations for supplemental resources based on the needs and experiences of LHDs. We value your privacy and would like to assure you that all responses will be aggregated with those from other participants and deidentified before they are shared.

Guidance for LHDs with Review Only Capacity

For LHDs with review only capacity, please carefully work through the entire [LHD HAI/AR Strategy](#) webpage and its subpages and reflect on how it can be used to outline a strategic plan for your LHD to enhance your LHD's work in HAI/AR. We are not expecting you to develop a formal strategic plan, but we encourage you to reflect on how the strategy content might help your LHD define strategic priorities. Once you have reviewed the strategy and reflected on your priorities, please complete this form to provide comprehensive feedback. You will be asked to provide feedback on key sections of the strategy in addition to its subpages, including the [Framework for Implementation](#), the [State HAI/AR Program Facilitation Guide](#), and the [One Pager](#) webpages as well as the [Action Planning Tool](#) and the [Glossary and Resources](#) webpages. CDC estimates that your review of the strategy webpage and subpages will take approximately up to 4 hours, including the time it takes to complete this feedback

Public reporting burden of this collection of information is estimated to average 240 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA 0920-XXXX

form. Please note, review of strategy materials and completion of the feedback form is self-paced. This form does not have to be completed all at once. You may revisit this form at any time during the review period.

Guidance for LHDs with Review and Implement Capacity

For LHDs with review and implement capacity, please carefully work through the entire [LHD HAI/AR Strategy](#) webpage and its subpages and use it to outline a strategic plan for your LHD to enhance your LHD's work in HAI/AR. Once you have reviewed the strategy and outlined your strategic plan, please complete this form to provide comprehensive feedback. You will be asked to provide feedback on key sections of the strategy in addition to its subpages, including the [Framework for Implementation](#), the [State HAI/AR Program Facilitation Guide](#), and the [One Pager](#) webpages as well as [Action Planning Tool](#) and the [Glossary and Resources](#) webpages. CDC estimates that your review of the strategy webpage and subpages will take approximately up to 4 hours, including the time it takes to complete this feedback form. Please note, review of strategy materials and completion of the feedback form is self-paced. This form does not have to be completed all at once. You may revisit this form at any time during the review period. Once you have completed this form and submitted it to SSET, you will begin implementing the strategy components based on your strategic plan outline with consult from CDC and partners through ad hoc touchpoints. At year-end you will complete a survey, using your Feedback Form for additional guidance as necessary.

Feedback Form Guidance for All Participants

This feedback form is organized by the strategy's goals, objectives, and activities. For each set, there are two types of questions

- a. Overall set questions – Please provide an answer based on each goals / objectives and levels / activities set as a whole.
- b. Goal and objective specific questions – Please provide an answer based on the individual goal or objective within the set.

To complete and submit the feedback form, please complete the following steps:

- Access the survey at [this link](#)
- For open-ended questions, type in your responses to each question in the space provided
- For questions that require you to rank your response on a scale from 1-5, click on the box to the right of the number that best describes your experience
- Save and submit the form by clicking the 'submit' button after completing all required questions
- Reach out to SSET@cdc.gov if you have any questions

Note: For questions that require you to rank your responses on a scale from 1-5, please use the following assignment for rank:

- 1 – Not at all
- 2 – Slightly
- 3 – Moderately
- 4 – Very
- 5 – Extremely

For additional assistance or questions about this tool, including questions about the deadline, please contact the pilot team at SSET@cdc.gov.

Please read through and reference *Table 1: Strategic Goals and Objectives for LHDs* of the [LHD HAI/AR Strategy](#) webpage to answer the following questions:

1. Please rate **Goal 1** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5

Useful for program improvement in HAI and AR 1 2 3 4 5

2. Would you add to or eliminate anything from **Goal 1** to make it more useful for your LHD?

3. Would you recommend **Goal 1** move forward for full implementation and inclusion in the final strategy? (select one)

- Yes
- Yes, with modifications stated above
- No

Goal 2 **Build LHD operational capacity to conduct and promote sustainable HAI/AR infection prevention and control activities.**

Please read through and reference *Table 1: Strategic Goals and Objectives for LHDs* of the [LHD HAI/AR Strategy](#) webpage to answer the following questions:

1. Please rate **Goal 2** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5

Useful for program improvement in HAI and AR 1 2 3 4 5

2. What would you add to or eliminate from **Goal 2** to make it more useful for your LHD?

3. Would you recommend **Goal 2** move forward for full implementation and inclusion in the final strategy? (select one)

- Yes
- Yes, with modifications stated above
- No

Goal 3 **Expand LHD HAI/AR infection prevention, outbreak response, and stewardship activities using data for action and prioritizing activities that increase impact on health equity.**

Please read through and reference [Table 1: Strategic Goals and Objectives for LHDs](#) of the [LHD HAI/AR Strategy](#) webpage to answer the following questions:

1. Please rate **Goal 3** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5

Useful for program improvement in HAI and AR 1 2 3 4 5

2. What would you add to or eliminate from Goal 3 to make it more useful for your LHD?

3. Would you recommend **Goal 3** move forward for full implementation and inclusion in the final strategy? (select one)

- Yes
- Yes, with modifications stated above
- No

OVERALL - Levels and Activities

1. Is it easy to tell what 'level' you'd consider yourself? What additional information would you need to help determine which level your LHD most aligns to? How would this additional information help you determine this?

2. What 'level' would you categorize your LHD in relation to Goal 1?

- Level 1
- Level 2
- Level 3

3. What 'level' would you categorize your LHD in relation to Goal 2?

- Level 1
- Level 2
- Level 3

4. What 'level' would you categorize your LHD in relation to Goal 3?

- Level 1
- Level 2
- Level 3

OBJECTIVE SPECIFIC – Levels and Activities

Goal 1 **Grow and expand networks across state, regional, and local levels through increased LHD communication and collaboration within the public health sector and among public-private sector partners.**

Objective 1.1 **Engage with the state HAI/AR program to determine priorities, state and local roles and responsibilities when working together, and to maintain coordination between the LHD and the state.**

Please read through and reference the [Objective 1.1 HAI/AR Activities](#) section of the [LHD HAI/AR Strategy](#) webpage to answer the below questions. It is optional for you to answer questions pertaining to levels that are not applicable for your LHD. For example, if you categorize your LHD as Level 1, you may choose to skip questions pertaining to Level 3.

1. Please rate the **Level 1 Activities for this objective** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5

Useful for program improvement in HAI and AR 1 2 3 4 5

2. Please rate the **Level 2 Activities for this objective** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5

Useful for program improvement in HAI and AR 1 2 3 4 5

3. Please rate the **Level 3 Activities for this objective** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5

Useful for program improvement in HAI and AR 1 2 3 4 5

4. Would you recommend modifying the activities or their levels? (i.e., moving an activity to a different level?)

Objective 1.2 **Grow and sustain relationships between healthcare and public health at the local level tailored to meet the LHD’s, healthcare facilities’, and providers’ needs.**

Please read through and reference the [Objective 1.2 LHD HAI/AR Activities](#) section of the [LHD HAI/AR Strategy](#) webpage to answer the below questions. It is optional for you to answer questions pertaining to levels that are not applicable for your LHD. For example, if you categorize your LHD as Level 1, you may skip questions pertaining to Level 3.

1. Please rate the **Level 1 Activities for this objective** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

- Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5
- Useful for program improvement in HAI and AR 1 2 3 4 5

2. Please rate the **Level 2 Activities for this objective** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

- Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5
- Useful for program improvement in HAI and AR 1 2 3 4 5

3. Please rate the **Level 3 Activities for this objective** on a scale from 1-5 in terms of the extent to which it meets each of the criteria below

- Relevant to LHDs seeking to enhance their work in HAI/AR 1 2 3 4 5
- Useful for program improvement in HAI and AR 1 2 3 4 5

4. Would you recommend modifying the activities or their levels? (i.e., moving an activity to a different level?)
