Subject: 2018 ASTDD Synopses Questionnaire

Dear State and Territorial Dental Directors:

Another year is upon us, and once again, it is time for the ASTDD Synopses questionnaire. This marks the 21th anniversary of the ASTDD Synopses and after many years of trial and error we have a process that works and is relatively pain free. As in previous years, we are sending you a Word "form" document. A "form" document allows you to easily move from one question to the next with the Tab key or your mouse. If you have any problems with this type of document, contact our data coordinator, Kathy Phipps (kathyhipps1234@gmail.com), and she will email you a regular Word document.

The deadline for the 2018 Synopses questionnaire is February 28, 2018. If we are to include your State or Territorial data in the report at the annual NOHC meeting in April, then we must have your responses back by the deadline date. Please forward the completed questionnaire to Kathy Phipps (kathyhipps1234@gmail.com). She will enter the data and forward the data file to CDC. Thank you in advance for your timely participation in this project. We sincerely appreciate your efforts. If you have any questions or comments, please do not hesitate to contact us.

MARK YOUR CALENDARS FOR Wednesday, JANUARY 17TH, 2:00 EASTERN TIME for a webinar on how to complete the questionnaire.

URL and call in info: <http://astdd.adobeconnect.com/r60a2urq411/>. After you log in, select "Enter as a Guest." Type in your first and last name and click "Enter room." You will be asked if you wish to join as a "Dial out" (receive a call from the meeting to the phone at which you will be listening to the webinar) or "Dial in." SELECT "DIAL OUT." Please do not share this URL as we are limited to 100 lines and consequently need to limit the call to ASTDD members and associate members.
