OMB No. 0920-1378

Dear Employer:

A few weeks ago, we sent your company an invitation to complete the 2023 Survey of Respirator Use and Practices (SRUP) for the National Institute for Occupational Safety and Health (NIOSH). If you or someone in your company already took the survey, thank you for your participation. If your company has not completed the survey, there is still time. **As a thank you for completing the survey, companies will receive a respirator usage summary for the industry of their choice.**

Who should complete this survey?

Someone knowledgeable about the use of respirators in your company should complete the survey. If you think someone else in your organization knows more about respirator usage than you do, please pass the survey instructions on to them. **Complete this survey even if no workers at your company use respirators.**

Complete the online survey by {DATE}

- Go to {URL} and log in to the survey or access the survey by scanning the QR code with your smartphone's camera.
- Once you are at the website, enter your PIN as {PIN}.
- Then follow the instructions on the screen to begin the survey.

The online survey is optimized so that it can be completed using a mobile device. If you do not have access to the internet or want to take the survey by phone, call us toll-free at XXX-XXX-XXXX and provide your PIN: {PIN}. You can call from 9:00 am to midnight ET.

Note: You may log onto the survey website using your PIN at any time during the collection period to make corrections to your data.

We can assure you that this is not part of an enforcement effort. This survey is being conducted to help NIOSH evaluate and improve its respirator approval program and identify areas in need of respiratory protection research and development. Participation by your company is voluntary and results will **not** be used in any type of enforcement activity. All responses will remain confidential and will only be used for statistical purposes. All data will be reported at the aggregate level.

If you have questions, please contact our Survey Manager {NAME} at {PHONE NUMBER} or send an email to email@abtassoc.com. If you would like to contact someone at NIOSH, please email ODAdmin@cdc.gov. To read the official announcement of this survey, please go to the NIOSH website at: URL.

Sincerely,

Jodi Walton
