

Abstract Submission

OMB No.: 0925-0740
Expiration Date: 9/30/2025

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Select the appropriate disease site & stage of transitional development for this abstract

Abstract Submission Instructions:

- Abstract size is limited to 350 word maximum, 100 mg file size. Images and hyperlinks are allowed.
- All abstracts will be collated into a publicly published abstract book that will be distributed via email initially but will eventually be hosted on the TRP website (trp.cancer.gov).
- Please submit the abstract MS Word (avoid .pdf). The file should follow this nomenclature: SPORE Director last name, file name (Overview, etc.).
- Abstract submission questions can be addressed to Mia Garrett (mia.garrett.garrett@nih.gov) or 240-276-6031. Scientific questions should be directed to Igor Kuzmin (igor.kuzmin@nih.gov) or 240-276-5684.
