

INTRODUCTION TO THE PRINCIPLES AND PRACTICE OF CLINICAL RESEARCH LECTURE
EVALUATION FORM

OMB # 0925-XXXX
Expiration Date: XX/XXXX

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-xxxx). Do not return the completed form to this address.

Please rate each statement below:

1. Lecture objectives were achieved.

- None or not at all
- Very Little
- Moderately
- Considerably
- Completely

2. The lecture material was well organized.

- None or not at all
- Very Little
- Moderately
- Considerably
- Completely

2. The lecture material was well organized.

- None or not at all
- Very Little
- Moderately
- Considerably
- Completely
