

Trafficking Victims Assistance Program (TVAP) Performance Indicators

The Trafficking Victim Assistance Program (TVAP) is inclusive of four distinct programs: the Trafficking Victim Assistance Program (TVAP), Aspire: Child Trafficking Victim Assistance Demonstration Program, Victims of Human Trafficking Services and Outreach Program – Pacific Region Demonstration Program (VHT-SO Pacific Program), and Lighthouse: Services, Outreach, and Awareness for Labor Trafficking (Lighthouse) Demonstration Program. The performance indicators described below are applicable to all four TVAP programs. TVAP award recipients must provide the following program performance indicator data to OTIP on a quarterly and annual basis, as indicated. Award recipients will be provided with the following information when requesting data:

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to gather data on the grant program to assess program performance, inform evaluation efforts, tailor technical assistance for recipients, respond to inquiries from stakeholders, and inform policy and program development. Public reporting burden for this collection of information is estimated to average **XX** hours per grant recipient, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This collection of information is required to retain a benefit (22 U.S.C. 7105, Trafficking Victims Protection Act). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0467 and the expiration date is **XX/XX/XXXX**. If you have any comments on this collection of information, please contact Vera Soto, Office on Trafficking in Persons, by email at Vera.Soto@acf.hhs.gov.
