Small Business Statement: Your comments are important. The Small Business and Agriculture Regulatory Enforcement Ombudsman and ten Regional Fairness Boards were established to receive comments from small businesses about Federal agency enforcement actions. The Ombudsman will annually evaluate the enforcement activities and rate each agency's responsiveness to small business. If you wish to comment on the actions of BOEM, call 1-888-REG-FAIR (1-888-734-3247). You may comment to the Small Business Administration without fear of retaliation. Disciplinary action for retaliation by a BOEM employee may include suspension or termination from employment with the Department of the Interior.

Paperwork Reduction Act of 1995 (PRA) Statement: The PRA (44 U.S.C. 3501 *et seq.*) requires us to inform you that BOEM collects this information to ensure that facility management is knowledgeable of the incident of noncompliance issued; corrective action is taken in a reasonable period of time; and for component or facility shut-in enforcement actions, that the identified component or facility is not returned to operation without the prior notice to the appropriate BOEM office. Responses are mandatory (43 U.S.C. 1331 *et seq.*). No proprietary information is collected. An agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB Control Number. Public reporting burden for this form is estimated to average 2 hours per response, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of this form to the Information Collection Clearance Officer, Bureau of Ocean Energy Management, 45600 Woodland Road, Sterling, VA 20166.
