Dear Employer,

About a month ago, we sent you a letter or email requesting your participation in the Occupational Employment and Wage Statistics (OEWS) program. As of this mailing, we have not received your response. The OEWS program is conducted by «state\_agency» in cooperation with the U.S. Bureau of Labor Statistics.

### **What information do I need to provide?**

All we need from you is the specific job title, a brief description of duties, and the wage rate for each employee at the location specified after “Report for” in the mailing address for the pay period that included **November 12, 2022**.

### **How will my information be used?**

The information you provide will be used for statistical purposes only. All identifying information for non-government establishments will be held in strict confidence to the full extent permitted by law. OEWS information is used to support education and training decisions to help build a skilled workforce.

### **How do I provide my information?**

You can fill out our online form or upload or email a spreadsheet. Many payroll systems will produce an electronic report with the information we need, but please remove personally identifiable information like employee names and Social Security numbers.

- **Online** → Go to **IDCFOEWS.BLS.GOV** and log in using your unique IDCF number, <sched\_num>. You can fill out our online form, upload your own file, or download our Excel template.
- **Email** → Send an email with your data and IDCF number, <sched\_num>, to «state\_email». We will send you an Excel template on request.
- **Phone** → Call us at «state\_phone». This is often the fastest method for establishments with fewer than 20 employees.

### **When do I need to provide my information?**

Please respond within two weeks. Your timely response will help reduce program costs and save taxpayer money by eliminating the need for additional mailings and telephone calls to you.

### **What if I have questions?**

If you have any questions or if we can help you submit your data, please call or email us. For more information, visit **www.bls.gov/respondents/oes** «site\_and» «state\_site».

Thank you for your time and attention – we appreciate your help.

Sincerely,

# Completing the Occupational Employment and Wage Statistics (OEWS) Report Online

You are being asked to report the occupation and wage information about the employees at the location specified after “Report for” in the mailing address for the pay period that included **November 12, 2022**.

If your establishment has «state\_cutoff» or more employees, we recommend uploading a spreadsheet or report from your payroll system. We prefer Excel files (.xlsx), but can accept almost any file format except executable (.exe) files.

**IMPORTANT: To protect your data, your session will time out if you spend 30 minutes on a page. A warning will appear when five minutes remain. If you do not click “Stay Connected” to extend your session, your data will be lost and you will have to log in again.**

**We do not receive your data until you click “Submit Data to BLS” or “Send” at the end of the process.**

1. Go to **IDCFOEWS.BLS.GOV**. Log in with your unique IDCF number, <sch\_num>.
2. Follow the instructions to enter your contact information and answer questions about the location specified after “Report for” in the mailing address. You will be directed to either the data entry page or the file upload page based on the size of your establishment. Each page has a link you can use to switch to the other submission method if you would prefer.
3. Enter your occupation and wage data into our online form or select a file to upload.
4. If you entered your data into the online form, you will be able to review your entry and download and save a copy as an Excel file before submitting it. Click “Submit Data to BLS” to complete the submission. You will receive a confirmation email. Please save this email in case there are questions about your submission.

If you selected a file to upload, click “Send” to submit it. On the next page, click “Continue” to send yourself a confirmation email. Please save this email in case there are questions about your submission.

That’s it - you’re done! If you have questions or require assistance, please contact us at «state\_email».

**Thank you for your time - employers like you are the ONLY source of this information!**

## SAVE TIME!

### Create your spreadsheet first!

Many companies save time by sending us a spreadsheet or report from their payroll system. All we need is a column with job titles and a brief description of duties, a column for hourly wage rates, and a column for annual salaries (for full-time employees only). A column listing department is optional, but helpful, and can reduce the need for follow-up phone calls.

Upload your spreadsheet or other report at

**IDCFOEWS.BLS.GOV**
