Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of form. Shareholders of Interest Charge Domestic International Sales Corporations (IC-DISCs) use Form 8404 to figure and report their interest owed on DISC-related deferred tax liability.

Who must file. You must file Form 8404 if (a) you are a shareholder of an IC-DISC (or former IC-DISC); (b) the IC-DISC reports deferred DISC income to you on line 10, Part III of Schedule K (Form 1120-IC-DISC); and (c) the addition of this income would result in increased taxable income if it were included on your tax return for the tax year.

When to file. File Form 8404 by the due date of your federal income tax return (excluding extensions) for your tax year that ends with or includes the IC-DISC's tax year end.

For example, you are a fiscal year corporation with an August 1, 2022, to July 31, 2023, tax year and you are a shareholder in an IC-DISC with an August 1, 2022, to July 31, 2023, tax year that reports deferred DISC income to you for its tax year ending July 31, 2023. Because your tax year ends with the IC-DISC's tax year, you are required to file Form 8404 on or before November 15, 2023 (3½ months after your tax year ends).

Where to file. File Form 8404 at the following address.

Department of the Treasury
Internal Revenue Service
Kansas City, MO 64999

Paying the interest charge. You must pay the interest charge shown on line 9 by the date your federal income tax for the tax year is required to be paid. For individuals and corporations, the interest is generally due on the 15th day of the 4th month following the close of the tax year. For corporations with a tax year ending on June 30, see section 2006(a)(3)(B) of P.L. 114-41.

Attach a check or money order made payable to "United States Treasury" for the full amount of the interest charge. Don't combine the interest charge with any other tax or interest due. Write your identification number and "Form 8404—Interest Due" on your payment.

If the interest charge isn't paid by the due date, interest, compounded daily, at the rate specified under section 6621, will be imposed on the amount of unpaid interest from the due date until the date the interest is paid.

Payment of estimated tax isn't required for the interest charge. See Proposed Regulations section 1.995(f)-1(j)(3) for other details.

For corporations (other than S corporations), the annual interest charge is deductible as an interest expense for the tax year it is paid or accrued. See Proposed Regulations section 1.995(f)-1(j)(2) for details on the tax year of deductibility. For other filers, this interest isn't deductible.

Amended Form 8404. You are required to file an amended Form 8404 only if the amount of the DISC-related deferred tax liability (line 7) changes as a result of audit adjustments, changes you make by the filing of an amended return, or if estimates were used on your original Form 8404 and changes were made to these estimates when you filed your tax return. See Proposed Regulations section 1.995(f)-1(j)(4) for details.

Specific Instructions

Name and address. Enter the name and address as shown on your tax return from which the income or loss on line 1 of Form 8404 is obtained. If the return is a joint return, also enter your spouse's name as shown on Form 1040 or 1040-SR.

Item A—Type of taxpayer. Check the applicable box to indicate your status as a taxpayer.

Partnerships and S corporations attribute their share of deferred DISC income to partners and shareholders, and the partners and shareholders complete Form 8404.

Item B—Shareholder's identifying number. Individuals must enter their social security number. Other filers must enter their employer identification number.

Item C—IC-DISC's identifying number. Enter the identifying number of the IC-DISC from the Schedule K (Form 1120-IC-DISC) on which the deferred DISC income was reported to you. If income is reported to you from more than one IC-DISC, enter each IC-DISC's identifying number in item C, each IC-DISC's

name in item E (or, enter "See attached" for items C and E, and attach a statement of the IC-DISCs' names and respective numbers), and report the combined income on line 2.

Item D—Tax year. Enter in item D the calendar year or the beginning and ending dates of the tax year shown on your tax return for which the interest charge is figured.

Special Computation Rules

Carrybacks. The determination of the shareholder's DISC-related deferred tax liability on lines 1 through 7 shall be made without taking into account any capital loss carryback or credit carryback to the tax year.

Carryovers. The determination of the shareholder's tax liability (line 5) for the tax year is made by disregarding any loss, deduction, or credit to the extent that such loss, deduction, or credit may be carried forward by the shareholder to any other tax year.

Note: If the tax year is the last tax year to which the amount of carryforward (of loss, deduction, or credit) may be carried, the line 3 adjustments and line 5 tax shall be figured with regard to the full amount of such carryforward.

For example, a shareholder had an NOL carryover (originating before 2018) to 2022 of \$12,000; \$10,000 income to which \$10,000 of the NOL can be applied; \$2,000 allowable NOL carryover to 2023; and \$5,000 deferred DISC income for 2022. In this case, for purposes of figuring line 5, the allowed NOL is \$10,000. **Note:** If 2022 was the last tax year to which the \$12,000 NOL (originating before 2018) could be carried, the full \$12,000 NOL would be allowed for purposes of figuring line 5 tax liability. The additional \$2,000 loss would be entered on line 3.

Other adjustments. In figuring line 3 adjustments, take into account any income and expense adjustments that don't result in amounts that may be carried back or forward to other tax years. For example, in the case of an IC-DISC shareholder who is an individual, the amount of medical expenses allowable as a deduction under section 213 must be redetermined for purposes of line 3 adjustments.

See Proposed Regulations section 1.995(f)-1(d) for other details regarding these and other special computation rules.

Line-by-Line Instructions

Line 1. Enter on line 1 the taxable income or loss from your federal income tax return for your tax year that ends with or includes the IC-DISC's tax year end. If you haven't yet filed your tax return, estimate your income or loss based on all information available to you. See *Amended Form 8404*, earlier.

Line 2. Enter the deferred DISC income from line 10, Part III of Schedule K (Form 1120-IC-DISC), for the IC-DISC tax year that ends with or within your tax year.

Line 3. Enter the net amount of all section 995(f)(2) adjustments to taxable income. See *Special Computation Rules*, earlier, for details on the income (loss) and expense adjustments to be made. If more than one adjustment is involved, attach a statement listing each item and show the computation of the net amount.

Lines 5 and 6. "Tax liability" on lines 5 and 6 (with and without the deferred DISC income) means the amount of tax imposed on the IC-DISC shareholder for the tax year by chapter 1 of the Internal Revenue Code (other than taxes listed below) reduced by credits allowable against such tax (other than credits listed below).

See *Special Computation Rules*, earlier, for rules for carrybacks and carryovers. These rules may affect the line 5 computation.

The following taxes aren't taken into account.

- Alternative minimum tax (individuals only).
- Any other provisions described in section 26(b)(2) (relating to certain other taxes treated as not imposed by chapter 1).

The following credits aren't taken into account.

- Section 31 (taxes withheld on wages).
- Section 32 (earned income credit).
- Section 34 (fuels credit).

For 2022, a Form 1040 or 1040-SR filer or a Form 1120 filer using the above rules will generally figure their line 6 tax liability using the following items shown on the following lines of those forms. All other filers should use the corresponding lines of other income tax returns. If you haven't yet filed your return, estimate the line 6 tax liability based on all information available to you.

	2022 Form 1040 or 1040-SR Line	2022 Form 1120 Line
Tax less nonrefundable credits	22	7, Sch. J
Plus: (1) Recapture taxes	*	*
(2) Prior year minimum tax credit	6b, Sch. 3	5d, Sch. J
Less: (1) Alternative minimum tax	1, Sch. 2	
(2) Additional child tax credit	28	
(3) American opportunity credit	29	
(4) Premium tax credit (Form 8962)	9, Sch. 3	
(5) Credit for tax paid on undistributed capital gains (Form 2439)	13a, Sch. 3	20a, Sch. J

***Caution:** Only use the portion of Form 1040 or 1040-SR, line 24, or Form 1120, Schedule J, line 10, attributable to recapture of credits allowable against taxes treated as imposed under chapter 1 (for example, recapture of investment tax and low-income housing credits). See section 26(b)(2) for a list of recapture taxes to exclude.

Line 8. The base period T-bill rate is defined in section 995(f)(4). The base period T-bill rate is compounded daily based on the number of days in the shareholder's tax year to determine the base period T-bill rate factor.

The base period T-bill rate factor for 2022 is X.XXXXXXXXXX for a 365-day tax year. Enter the appropriate factor on line 8 of Form 8404. See Rev. Rul. 2022-XX, 2022-XX I.R.B. XXX, for a short tax year or a 52-53-week tax year.
