RE: 2019 National Survey of Unbanked and Underbanked Households  
OMB Control Number 3064-0167; Expiration Date April 30, 2020.

On April 18, 2019 OMB approved the FDIC information collection request for the 2019 National Survey of Unbanked and Underbanked Households. This non-substantive revision is being submitted to upload the 2019 Survey instrument from to the IC to replace the 2017 version of the survey which was inadvertently left in from the prior submission. The 2019 version of the survey was instead uploaded as a supplementary document on the submission. The 2019 survey questionnaire has now been uploaded as a form related to the IC.
