

U.S. OFFICE OF GOVERNMENT ETHICS

Hybrid Version of Model Qualified Diversified Trust Provisions

The hybrid version of the model qualified diversified trust agreement contained in this memorandum is made available by the U.S. Office of Government Ethics to attorneys for their use in drafting proposed trust agreements to be submitted for certification pursuant to section 102(f)(3) and (4)(B) of the Ethics in Government Act of 1978 (Pub. L. 95-521, as amended) and subpart D of 5 C.F.R. Part 2634. Under the statutory scheme, a trust agreement is not permitted to be recognized as creating an efficacious blind trust arrangement for any purpose under Federal law unless it had been certified by the U.S. Office of Government Ethics prior to its execution. Proposed trust drafts submitted to the U.S. Office of Government Ethics for consideration must adhere to the language of the model except to the extent, as agreed to by the U.S. Office of Government Ethics, that variations are required by the unusual circumstances of a particular case. The fiduciaries' certificates of independence must be executed in the exact form indicated.

It is strongly recommended in any case in which the use of a blind trust is contemplated that the U.S. Office of Government Ethics be consulted as early as possible. Prospective trustees or their representatives should schedule an appointment with the staff of the U.S. Office of Government Ethics for an orientation to the specialized procedures and requirements which have been established by law with respect to blind trust administration prior to the certification of the trust. As a condition of approval by the U.S. Office of Government Ethics, prospective trustees must exhibit a familiarity with and commitment to the specialized nature of blind trust administration.

For further information, contact the U.S. Office of Government Ethics directly: telephone 202-482-9300, email [ContactOGE@oge.gov](mailto:ContactOGE@oge.gov).

TRUST AGREEMENT

THIS TRUST AGREEMENT is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, between \_\_\_\_\_ whose mailing address is \_\_\_\_\_, hereinafter called the Settlor, and \_\_\_\_\_ [financial institution], whose business address is \_\_\_\_\_, hereinafter called the Trustee.

WITNESSETH

SETTLOR has been appointed by the \_\_\_\_\_ to the position of \_\_\_\_\_ of the \_\_\_\_\_ [department or agency], with respect to which appointment the \_\_\_\_\_ has given its advice and consent. To avoid any conflict of interest, or appearance of any such conflict, which may arise from his duties and powers in such office and any other office to which he may subsequently be appointed to the extent provided for by section 102(f)(4) of the Ethics in Government Act of 1978 (Pub. L. 95-521, as amended) [hereinafter referred to as the "Act"], Settlor hereby creates a trust which shall become effective on the date this agreement bears.

The Trustee is an eligible entity as specified in paragraph (a) of 5 C.F.R. § 2634.405 that meets the requirements of paragraph (c) of that section. The existence of any other banking or client relationship between any interested party and the Trustee is disclosed in annexed Schedule A, and no other such relationship shall be instituted without the prior written approval of the Director of the U.S. Office of Government Ethics.

Settlor, therefore, hereby delivers to the Trustee, and the Trustee hereby acknowledges receipt of, the property listed in annexed Schedules B and C, subject to the provisions of this

1 Trust and the Act, and regulations promulgated thereunder, and other applicable Federal laws,  
2 Executive orders, and regulations.

3

4 The primary purpose of this Trust is to confer on the Trustee the sole responsibility to  
5 administer the trust and to manage trust assets without the participation by, or the knowledge  
6 of, any interested party or any representative of an interested party. This includes the duty to  
7 decide when and to what extent the original assets of the trust are to be sold or disposed of and  
8 in what investments the proceeds of sale are to be reinvested. Accordingly, the Settlor and the  
9 Trustee agree as follows:

10

11 FIRST: (A) This Trust shall terminate upon the first to occur of the following –  
12 (1) Settlor's ceasing for any reason to serve as \_\_\_\_\_ and in any other position to  
13 which he may have been subsequently appointed in the Federal Government and Settlor  
14 thereafter giving Trustee written notice directing that this Trust be terminated; or (2) Settlor's  
15 death or incompetence. The period between the date of this agreement and the termination of the  
16 Trust shall be called the "Trust Term".

17

18 (B) Notwithstanding Paragraph (A) of this Article FIRST, this Trust agreement  
19 may in addition be terminated through revocation. However, within thirty days of dissolution of  
20 the trust, the interested party shall file a report of the dissolution and a list of the assets of the  
21 trust at the time of dissolution, categorized as to value in accordance with 5 C.F.R.  
22 § 2634.301(d), with the Director of the U.S. Office of Government Ethics.

23

24 (C) The Trustee and the interested parties may amend the terms of this trust  
25 agreement only with the prior written approval of the Director of the U.S. Office of Government  
26 Ethics and upon a showing of necessity and appropriateness.

27

28 SECOND: The Trustee in the exercise of its authority and discretion to manage and control  
29 the assets of this Trust shall not consult or notify any interested party or any representative of an  
30 interested party.

31

1 THIRD: (A) The assets initially placed in Trust hereunder, as listed in annexed  
2 Schedule B, shall consist of a widely-diversified portfolio of readily marketable securities. None  
3 of the assets is prohibited as a holding by any interested party by the Act and regulations  
4 promulgated thereunder, and other applicable Federal laws, Executive orders, and regulations, or  
5 consist of securities of entities having substantial activities in the area of the Settlor's primary  
6 responsibility within the Federal government.

7

8 (B) The portfolio shall be deemed to be widely-diversified if –

9

10 (1) the value of the securities concentrated in any particular or limited economic  
11 or geographic sector is no more than twenty percent of the total, and

12

13 (2) the value of the securities of any single entity (other than the United States  
14 Government) is no more than five percent of the total value of such assets. For purposes of this  
15 paragraph (B), securities issued by the United States Government are obligations of the United  
16 States.

17

18 (C) A security will be deemed readily marketable, for purposes of this Article  
19 THIRD, if –

20

21 (1) daily price quotations for the security appear regularly in newspapers of  
22 general circulation, and

23

24 (2) the Trust holds the security in a quantity that does not unduly impair liquidity.

25

26 FOURTH: None of the assets initially placed in Trust hereunder, as listed in annexed  
27 Schedule C, is prohibited as a holding by any interested party by the Act and regulations  
28 promulgated thereunder, and other applicable Federal laws, Executive orders, and regulations.

29

30 FIFTH: (A) Each asset listed in annexed Schedules B and C is free of any restriction with  
31 respect to its transfer or sale except as fully described in such Schedules.

(B) The Trustee shall not acquire any securities or other property in excess of the diversification standards of Paragraph (B)(1) and (2) of Article THIRD of this Trust.

(C) During the Trust Term, the interested parties shall not pledge, mortgage, or otherwise encumber their interests in the property held in trust hereunder.

(D) The Trustee shall not knowingly and willfully, or negligently, disclose to the public or to any interested party or any representative of an interested party any information as to the acquisition, retention, or disposition of any particular securities or other Trust property; except that, the Trustee shall promptly notify the Settlor and the Director of the U.S. Office of Government Ethics when the holdings of any particular asset listed in annexed Schedule C have been completely disposed of or when the value of that asset becomes less than \$1,000.

SIXTH: (A) The income tax return of the Trust shall be prepared by the Trustee or his delegate.

(B) During the Trust Term, the Trustee shall be responsible for the preparation and filing of such income (joint or separate) and other tax returns, with respect to the property held hereunder and the income therefrom and with respect to any other income of the Settlor, as shall be required by the laws of the United States of America and any State or other political subdivision thereof. The Settlor shall furnish to the Trustee such additional information as it shall, from time to time, need for the completion of such returns. The Settlor shall give to the Trustee power of attorney (I.R.S. Form 2848) and any other instruments which it may need in order to prepare and file such returns and to represent the Settlor in connection with any audit of returns filed by it and to adjust, settle and pay any taxes due in respect of such returns. The Settlor shall deliver to the Trustee funds for the payment of any income tax obligation estimated to have arisen otherwise than with respect to the property held in Trust hereunder. The Trustee in its discretion shall be entitled to reserve an appropriate amount of Trust income for payment of any additional income tax obligation.

1 (C) Any tax return filed pursuant to this Article SIXTH and any information  
2 relating thereto shall not be disclosed publicly or to any interested party or to any representative  
3 of an interested party.

4  
5 SEVENTH: An interested party and any representative of an interested party shall not receive  
6 any report on the holdings and sources of income of the Trust; except that the Trustee shall –

7  
8 (A) Make quarterly reports of the aggregate market value of the assets  
9 representing such interested party's interest in the Trust, and

10  
11 (B) Provide an annual report for purposes of section 102(a)(1) of the Act of the  
12 aggregate amount actually paid from the Trust to such interested party (or applied for his  
13 benefit), categorized in accordance with the provisions of such section. For purposes of this  
14 Article SEVENTH, only amounts actually received in respect of this Trust by such interested  
15 party (or applied for the interested party's benefit) shall be deemed income derived from this  
16 Trust.

17  
18 A copy of each written communication under this Article SEVENTH shall be filed by the  
19 Trustee with the Director, U.S. Office of Government Ethics, within five days of the date of the  
20 communication.

21  
22 EIGHTH: There shall be no direct or indirect communication between an interested party or  
23 any representative of an interested party and the Trustee with respect to the Trust unless the  
24 communication is in writing and has the prior written approval of the Director, U.S. Office of  
25 Government Ethics, and unless it relates only –

26  
27 (A) To a request for a distribution of cash or other unspecified assets of the trust,

28  
29 (B) To the general financial interest and needs of the interested party (including,  
30 but not limited to, a preference for maximizing income or long-term capital gain), or

1 (C) To information, documents, and funds provided by, or needed from, the  
2 Settlor, to effectuate the provisions of Paragraph (B) of Article SIXTH of this Trust, with respect  
3 to any income tax obligation arising otherwise than with respect to the property held in Trust  
4 hereunder.

5  
6 A copy of each written communication under this Article EIGHTH shall be filed by the person  
7 initiating the communication with the Director, U.S. Office of Government Ethics, within five  
8 days of the date of the communication.

9  
10 NINTH: The interested parties and any representative of an interested party shall not take  
11 any action to obtain, and shall take reasonable action to avoid receiving, information with respect  
12 to the holdings of, and the sources of income of, the Trust, including obtaining a copy of any  
13 Trust or individual tax return filed by the Trustee or any information relating thereto, except for  
14 the reports and information specified in Article SEVENTH of this Trust.

15  
16 TENTH: The Trustee shall file with the Director, U.S. Office of Government Ethics, by the  
17 May 15th after any calendar year during which the Trust was in existence a properly executed  
18 Certificate of Compliance in the form prescribed by the U.S. Office of Government Ethics. In  
19 addition, the Trustee shall maintain and make available for inspection by the U.S. Office of  
20 Government Ethics, as it may from time to time direct, the Trust's books of account and other  
21 records and copies of the Trust's tax returns for each taxable year of the Trust.

26 (A) Disclose any information to any interested party or any representative of an  
27 interested party with respect to this Trust that may not be disclosed pursuant to any provision or  
28 requirement of Title I of the Act (and the regulations thereunder) or this Trust;

29  
30 (B) Acquire any holding:

1 (1) directly from an interested party or any representative of an interested party  
2 without the prior written approval of the Director of the U.S. Office of Government Ethics, or  
3

4 (2) the ownership of which is prohibited by, or not in accordance with, Title I of  
5 the Act (and the regulations thereunder), the terms of this Trust, or other applicable statutes and  
6 regulations;  
7

8 (C) Solicit advice from any interested party or any representative of an interested  
9 party with respect to this Trust, which solicitation is prohibited by any provision or requirement  
10 of Title I of the Act (and the regulations thereunder) or this Trust; or  
11

12 (D) Fail to file any document required by Title I of the Act (and the regulations  
13 thereunder) or this Trust.  
14

15 TWELFTH: The Settlor shall not knowingly and willfully, or negligently –  
16

17 (A) Solicit or receive any information with respect to this Trust that may not be
