6 7 8	Model Confidentiality Agreement Provisions [For use in the case of a privately owned business]
9 10	
11	The model confidentiality agreement contained in this memorandum is made available by
12	the U.S. Office of Government Ethics to attorneys for their use in drafting proposed
13	confidentiality agreements in those cases where such an instrument is an appropriate component
14	of a qualified trust arrangement submitted for certification pursuant to section 102(f)(3) or (4)(B)
15	of the Ethics in Government Act of 1978 (Pub. L. 95-521, as amended) and subpart D of
16	5 C.F.R. Part 2634. Under the statutory scheme, a trust agreement is not permitted to be
17	recognized as creating an efficacious blind trust arrangement for any purpose under Federal law
18	unless it had been certified by the U.S. Office of Government Ethics <u>prior</u> to its execution.
19	Proposed confidentiality agreement drafts submitted to the U.S. Office of Government Ethics for
20	consideration must adhere to the language of the model except to the extent, as agreed to by the
21	U.S. Office of Government Ethics, that variations are required by the unusual circumstances of a
22	particular case. The fiduciaries' certificates of independence must be executed in the exact form
23	indicated.
24	
25	It is strongly recommended in any case in which the use of a blind trust is contemplated
26	that the U.S. Office of Government Ethics be consulted as early as possible. Prospective trustees
27	or their representatives should schedule an appointment with the staff of the U.S. Office of
28	Government Ethics for an orientation to the specialized procedures and requirements which have
29	been established by law with respect to blind trust administration prior to the certification of the
30	trust. As a condition of approval by the U.S. Office of Government Ethics, prospective trustees
31	must exhibit a familiarity with and commitment to the specialized nature of blind trust
32	administration.
