SENIOR FARMERS' MARKET NUTRITION PROGRAM
State Plan of Operations
Fiscal Year 2023

Please clearly identify any attachments/addenda pages according to the numbering/lettering system used in this format.

State Agency: _____

I. Goals

A. Describe the State agency's plans to achieve the three purposes of the SFMNP (§ 249.1), as follows:

1. To provide resources in the form of fresh, nutritious, unprepared, locally grown fruits, vegetables, honey and herbs from farmers' markets, roadside stands, and CSA programs to low-income seniors;
2. To increase the domestic consumption of agricultural commodities by expanding or aiding in the expansion of domestic farmers' markets, roadside stands, and CSA programs; and
3. To develop or aid in the development of new and additional farmers' markets, roadside stands, and CSA programs.

B. Describe how the State agency plans to target the Program to areas with high concentrations of eligible persons with the greatest access to farmers' markets, roadside stands, and CSA programs. Be sure to include any special features, such as the use of volunteers and community resources or specialized management information systems, which the State agency plans to enhance its operation and administration of the SFMNP. (§ 249.4(9)(i))

C. For a State agency submitting its initial application for funding (i.e., a State agency that did not operate the SFMNP in FY 2022), please summarize any prior experience with similar farmers' market projects or programs. The summary should describe:

1. The number of participants served;
2. The extent of the program, (e.g., limited to a city or county, or was it a statewide or an Indian Tribal Organization (ITO)-wide program?) and;
3. The source(s) of funding for the program.

Please include any data that was collected concerning the benefits or impact of the program(s). _____

II. General Administration

A. This section of the SFMNP State Plan Guidance is to report on general operations.

1. Estimated number of SFMNP participants in FY 2022 (if applicable): _____
2. Estimated number of SFMNP participants in FY 2023: _____
3. Proposed months of Program operation (i.e. SFMNP benefit usage by participants):
_____ through _____
4. Proposed months of SFMNP food instrument issuance: _____ through _____
5. Proposed months of SFMNP benefit redemption (submission for payment) by farmers,
farmers’ markets, roadside stands and/or CSAs: _____ through _____
6. Proposed months of bulk purchase: _____ through _____

B. In light of recent changes in technology for both the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) and the Supplemental Nutrition Assistance Program (SNAP), it is important that State agencies clearly identify how SFMNP benefits are provided to participants. Since the inception of the Program, SFMNP benefits are most often provided using either coupons or checks. In the event that a State agency is using a different delivery method such as an e-solution (e.g., mobile app or EBT card), it is expected that where applicable, the State agency address how that method applies to SFMNP.

1. Are any markets currently providing benefits using an e-solution?

Yes No

If yes, for which programs? WIC SNAP FMNP SFMNP

2. Do you anticipate providing SFMNP benefits using an e-solution?

Yes No

If yes, when? _____

In all markets or in selected areas? _____

Please reference and/or attach the appendix/amendment for the State agency’s e-solution as required under Appendix B of the [WIC FMNP and SFMNP FY 2022 Guidance Package | Food and Nutrition Service \(usda.gov\)](#) _____

C. **Staffing**

List all SFMNP staff positions below, including both full and part-time positions. Attach job descriptions for each position. An organizational chart identifying levels of responsibility can be provided with this list. § 249.4(a)(4) of the Federal SFMNP regulations requires a detailed budget in the State Plan, including a description of the Federal and non-Federal funds that will be used to operate the program. Although use of non-Federal funds is not required, describing the use of any such funds is helpful for the State agency and FNS to understand the administrative capabilities of the State agency; the use of non-Federal funds will not result in the reduction of the Federal grant.

(NOTE: For the purposes of the SFMNP, eligible foods mean fresh, nutritious, unprepared, locally grown fruits, vegetables, honey and herbs).

Eligible foods may not be processed or prepared beyond their natural state except for usual harvesting and cleaning processes. Maple syrup, cider, nuts, seeds, dried plums (prunes), dried chilies or tomatoes, eggs, meat, cheese and seafood are examples of ineligible foods for purposes of the SFMNP. State agencies may also describe eligible foods as "all fruits, vegetables, honey and herbs locally grown except..."

8. Per § 249.2, eligible foods are limited to produce grown within State agency borders or areas in neighboring States agencies adjacent to its borders. How does the State agency define "locally grown produce" in order to designate SFMNP eligible foods?

- Within the State agency borders only
- Within the State agency borders and adjacent counties (e.g., one county into the next State)
- Within the county lines
- Other (specify) _____

9. Per § 249.10 (a)(2), to what extent does the State agency permit or prohibit the participation of individuals who are selling produce grown by someone else, in addition to their own produce? Individuals, who exclusively sell produce grown by someone else, such as wholesale distributors, cannot be authorized to participate in the SFMNP.

10. Per § 249.10 (a)(10), describe how the State agency will ensure that there is no conflict of interest between the State or local agency and any participating farmer, farmers’ market, roadside stand, or CSA program.

C. Farmers, Farmers’ Market, Roadside Stand, and/or CSA/Bulk Purchase Agreements

In such instances, the provisions and requirements outlined in this section related to farmers' markets must also be applied to such State agency/farmers' market association agreements.

Each State agency shall enter into a written agreement with all participating farmers and/or farmers' markets, roadside stands and/or CSA/bulk purchase programs including sanctions for non-compliance with SFMNP requirements. **Include the SFMNP State agency—Farmers'/Farmers' Market /Roadside Stand/CSA/Bulk Purchase Agreement in Appendix P.** This agreement as described in § 249.10 must contain at a minimum the following specifications

2. The farmer and/or farmers' market and roadside stand shall not: (§ 249.10

(b)(2)(i-iii)

The State agency may disqualify a market and/or a farmer or roadside stand for program abuse with a minimum of 15 days' advance written notification.
 - vi. The State agency may disqualify a farmer and/or farmers' market, roadside stand or CSA for SFMNP abuse.

 - viii. A farmer and/or a farmer's market, roadside stand or CSA may appeal an action of the State agency denying its application to participate, imposing a sanction, or disqualifying it from participating in the SFMNP. If a State agency has agreements with farmers' markets, then a farmer shall appeal such actions to the farmers' market. Expiration of a contract or agreement shall not be subject to appeal through the SFMNP State agency.
3. Agreements may not exceed 3 years. The farmers and/or farmers' market, roadside stand and CSA agreements are valid for ____ years
 4. Agreements with farmers' markets that do not authorize individual farmers. Those State agencies that authorize farmers' markets but not individual farmers shall require authorized farmers' markets to enter into a written agreement with each farmer within the market that is participating in SFMNP. The State agency must set forth the required terms for the agreement and provide a sample agreement that may be used. Please attach a copy of this agreement, if any.
 5. Describe or attach other cooperative arrangements in Appendix D that may have been negotiated, such as with Cooperative Extension Service programs,

or with a State Agriculture Department or ITO, to authorize farmers/farmers' markets or roadside stands.

D. Annual training for farmers, farmers' market managers and/or farmers who operate a roadside stand or CSA program.

State agencies shall conduct annual training for farmers, farmers' market managers, and/or farmers who operate a CSA program in the SFMNP. The State agency must conduct a one-time, interactive training for all farmers and farmers' market managers who have **never previously participated** in the SFMNP per § 249.10(d).

After a farmer's/farmers' market manager's first year of SFMNP operation, State agencies have discretion in determining the method used for annual training purposes. At a minimum, annual training shall include instruction emphasizing:

- Eligible food choices;
- Proper SFMNP food instrument redemption procedures, including deadlines for submission of food instruments for payment, and/or receipt of payment for CSA programs' distribution of eligible foods;
- Equitable treatment of SFMNP participants, including the availability of eligible foods to SFMNP participants that are of the same quality and cost as those sold to other customers;
- Civil rights compliance and guidelines;
- Guidelines for storing SFMNP food instruments safely; and
- Guidelines for canceling SFMNP food instruments, such as punching holes, rubber-stamping.

Describe the procedures the State agency has in place for the interactive training required for all farmers and farmers' market managers who have never previously participated in the SFMNP. This description should also include the subsequent training methods made available to authorized farmers and farmers' market managers after the first year's interactive training.

E. Food Instrument Benefit Accountability

The food instrument reconciliation process as contained in § 249.10 is intended to assure accountability by enabling the State agency to reconstruct the "life history" of each food instrument, from the time it is issued through its final disposition. While State agencies are not required to extract and show, for each coupon, the participant and the farmer/market associated with the coupon and record the link (e.g., in the form of a spreadsheet or other document), State agencies must have the ability to trace redeemed coupons to a valid recipient and authorized farmer/market.

The State agency is responsible for reconciling validly redeemed food instruments, as well as lost, stolen, voided, or expired, SFMNP food instruments that do not match issuance records. The process for reconciling lost and/or stolen food instruments must ensure that farmers accepting such items in good faith, and through approved procedures, are not unfairly penalized.

1. Describe the State agency's system for identifying and reconciling SFMNP food instruments that were redeemed, voided, expired, or reported lost or stolen. Validly redeemed SFMNP food instruments are those that are issued to a valid SFMNP participant and redeemed by an authorized farmer, farmers' market, or roadside stand within valid dates. They must, at a minimum:

- Have a valid participant identifier on the issuance log,
- Have a unique and sequential serial number;
- Be transacted within valid dates; and
- Be redeemed by an authorized farmers' market, an authorized farmer operating under the auspices of the authorized market, or operating a roadside stand.

2. Describe the State agency's system for ensuring that food instruments are redeemed only by authorized farmers (including those operating roadside stands), and farmers' markets for eligible foods. _____

3. Describe the State agency's system for identifying and disallowing food instruments that are redeemed or submitted for payment outside valid dates or by unauthorized farmers or farmers' markets or roadside stands.

4. Food Instrument Benefit Timeframes

- Issuance to participants _____ (no later than September 30)
- Redemption by participants: _____ (no later than November 30)
- Submission for payment by farmers/farmers' markets: _____
- Payment by the State agency: _____

All of the functions described above must be completed within a timeframe that allows the State agency to reconcile food instruments, liquidate all obligations, and submit its financial and program data reports (i.e., the FNS-683A) to FNS **no later than January 30 of each year.**

Provide a copy of the food instrument to be used in the SFMNP in Appendix J.

For example, if there are five authorized farmers’ markets in a participating State agency and 40 authorized farmers, the State agency must review a minimum of one farmers’ market and four farmers. **Seniors Farmers' Market Nutrition Program
FY 2023
Request for Expansion Funds**

**Seniors Farmers' Market Nutrition Program
Request for Expansion
Fiscal Year 2023**

This section should be completed only if a State agency operated a federally-funded SFMNP in fiscal year (FY) 2022. If a State agency is requesting an increase in federal funds above its base grant, the expansion request should be consistent with expanding benefits to more participants or by enhancing current benefits, or a combination of both, and increasing the consumption of agricultural commodities by expanding, developing, or aiding in the development and expansion of farmers' markets, roadside stands, and community supported agriculture (CSA) programs. Generally, to be eligible for expansion funds, a State agency must **1) have utilized at least 80 percent of its prior year food grant, and 2) provide documentation supporting the expansion request.** A State agency that did not spend at least 80 percent of its prior year food grant may still be eligible for expansion funds if, in the judgment of FNS, a good cause existed for the lower expenditure rate (§ 249.14 (e)(1),(2)).

Contingent upon the availability of funds and the justification provided to FNS, expansion requests will be granted as early in the fiscal year as possible.

1. Base Grant amount for FY 2023 (this is your final FY 2022 grant amount):
\$_____.
2. Amount of expansion funds requested (additional Federal funds above your FY 2023 base grant in item number 1): \$_____.
3. Estimated amount and percent of Federal SFMNP food funds spent by the State agency during FY 2022: \$_____ and the percentage: _____%.
4. Briefly describe the reason(s) for requesting funds to expand the SFMNP, including any supporting documentation. Attach additional sheets as needed.

5. Number of additional participants above the previous year's level the State agency hopes to serve with the expansion funds: _____
6. Number of additional farmers' market sites, roadside stands, CSA programs, and local agencies (e.g., Area Agencies on Aging or CSFP) the State agency anticipates authorizing:

_____ New farmers' market sites
_____ New roadside stand locations
_____ New CSA programs
_____ New local agencies

_____ New bulk purchase locations

7. If the State agency intends to increase the benefit level with expansion funds, what will be the benefit level after expansion?

For participants at markets and roadside stands _____

For participants in CSA programs _____

For participants in bulk purchase programs _____

8. Briefly describe the State agency's administrative capacity to manage the requested increase in SFMNP caseload effectively.
