Dear [COUNTY] County resident:

We recently reached out to invite your household to participate in the **Study of Food and Well-Being**. If you have already completed, thank you for your participation!

You probably receive a lot of telephone calls from telemarketers and other sales representatives, and we want to assure you, this was not one of those calls. **We want to hear your perspective on food access and well-being in your community. Your household was selected to represent [COUNTY] County – we cannot replace you!**

We understand you are busy, and your time is valuable. If eligible, you will **receive a \$35 gift card for completing the survey**, and you can choose the method and time that’s best for you.

- It should be completed by the adult who does most of the planning or preparing of meals or most of the food shopping.
- Complete the survey all at once, or over multiple sessions. Skip any questions that you do not want to answer.

Participating in the survey is your choice. Your participation will not affect any benefits you or your household receives. Your responses are private and secure.

**Please call us at XXX-XXX-XXXX (toll free) to complete the survey now, make an appointment to complete it, or to ask any questions about the study.**

You can also complete the survey online anytime:
