

NWOS Corporate Telephone Survey Guide

OMB # 0596-0078

Expiration date: to be updated

INTERVIEWER INTRODUCTION

Interviewer text:

Hello, this is <NAME> calling on behalf of the <STATE> Field Office of USDA's National Agricultural Statistics Service. We are conducting the Corporate National Woodland Owner Survey for the U.S. Forest Service and you were selected to participate. Several weeks ago you were mailed a copy of this survey. We have not received it and were hoping to collect the data by telephone today. Your cooperation is extremely important to the accuracy of the survey and your individual report will be kept confidential (under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347)). Response is voluntary.

Paperwork Reduction Act Notice

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0596-0078. Without this approval, we could not conduct this survey. Public reporting for this information collection is estimated to be approximately 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the U.S.D.A. Forest Service email address SM.FS.InfoCollect@usda.gov and include the OMB Control Number in the subject line.

The rest of the interview time is allotted to going through the survey and recording landowner's answers. These interviews will a subset of the National Woodland Owner Survey Short Form (below), with the interviewer reading the questions and the landowner responding. Interviews will not go beyond the allotted time (15 minutes).

- As of January 1, 2018, in which states does your company own forestland? How many acres does it own in each state?
List each state and acres in that state.
If more space is needed, please use the included supplemental form on page 14.
If you are a TIMO and hold or manage land on behalf of clients or investors, please include all of the land your company manages.

State	Acres	State	Acres	State	Acres

- How many acres does your company own directly, across all states?
____Acres
- How many acres does your company manage on behalf of clients/investors?
____Acres

Company Structure

- What is the structure of your company?
Check one.
 - Publicly traded corporation
 - Privately held C-corporation
 - Privately held S-corporation
 - Limited liability company (LLC)
 - Other (please specify):
- Is your company a real estate investment trust (REIT)?
 - Yes
 - No
- Is your company a timberland investment organization (TIMO) managing lands on behalf of institutional investors?
 - Yes
 - No

7. Is your company a forest management company (FMC) managing lands on behalf of clients other than institutional investors?

- Yes
- No

8. Does your company currently own and operate one or more pulp mills, sawmills, or other primary wood processing facilities in the U.S.?

- Yes
- No

Forestland Acquisitions and Sales

9. Approximately, how many acres of forestland has your company *acquired* in the U.S. in the past 5 years?

_____Acres

10. Approximately, how many acres of forestland has your company *sold, traded, or given away* in the U.S. in the past 5 years?

_____Acres

*If no acres have been sold, traded, or given away, skip to question 10
If yes, please answer b*

b. If sold or given away, was your property subdivided or split up into multiple parcels?

- Yes
- No
- Don't know

Forest Management Objectives

11. How important are the following reasons for how your company currently manages forestland in the U.S.?

	Very important	Important	Moderately important	Of little importance	Not important	Not applicable
To protect beauty of scenery						
To protect nature or biological diversity						

To protect water resources						
To protect or improve wildlife habitat						
For land investment						
For firewood						
For timber production						
For nontimber forest products, such as berries or mushrooms						
For cultural/spiritual reasons						
For hunting						
For recreation, other than hunting						
For oil or gas extraction						
For extraction of other mineral products, such as sand or gravel						
For solar or wind						
For carbon capture/sequestration						
Other (please specify):						

Forest Management Practices

12. On average, how many acres has your company annually harvested on its forestland? *Include final cuts, thinnings, real estate cuts, and all other harvesting.*

_____ acres harvested per year

13. Which, if any, of the following have occurred on your company's forestland in the U.S. in the past 5 years?

Select yes or no for each item

Yes No

£ £ Cut and/or removed trees for sale

£ £ Cut and/or removed trees for company use (i.e., for own mills)

£ £ Nontimber forest products, such as pine straw or mushrooms, have been collected

£ £ Reduced fire hazard

£ £ Controlled burn/prescribed fire

- £ £ Eliminated or reduced invasive plants
- £ £ Eliminated or reduced unwanted insects or diseases
- £ £ Road construction or maintenance
- £ £ Recreational trail construction or maintenance Improved wildlife habitat
- £ £ Agroforestry, including livestock grazing
- £ £ Planted trees
- £ £ Used herbicides
- £ £ Used insecticides
- £ £ Used fertilizers
- £ £ Real estate cuts
- £ £ Other (please specify): _____

14. Which, if any, of the following silvicultural practices have occurred on your company's forestland in the U.S. in the past 5 years?

Select yes or no for each item

- | Yes | No | |
|-----|----|--|
| £ | £ | Clearcut |
| £ | £ | Seed tree cuts |
| £ | £ | Shelterwood cuts |
| £ | £ | Single tree selection |
| £ | £ | Group selection |
| £ | £ | Pre-commercial thinnings (e.g. stand improvements) |
| £ | £ | Commercial thinnings |
| £ | £ | Planting trees |
| £ | £ | Other (please specify): |

Forest Management Intensities

15. What percentage, on average, of your company's forestland does your company do final cuts on per year? Final cuts include rotation harvests, regeneration harvests, or other treatments that mark the end of a silvicultural rotation.

- 0%
- 1-5%
- 6-10%
- 11-15%
- 16-20%
- 21-25%
- >25%
- I don't know

16. What percentage, on average, of your company's forestland does your company do pre-commercial thinning's (such as timber stand improvements) on per year?

- 0%
- 1-5%
- 6-10%
- 11-15%
- 16-20%
- 21-25%
- >25%
- I don't know

17. What percentage, on average, of your company's forestland does your company plant seedlings on per year?

- 0%
- 1-5%
- 6-10%
- 11-15%
- 16-20%
- 21-25%
- >25%
- I don't know

18. What percentage, on average, of your company's forestland does your company allow natural regeneration to occur on per year?

- 0%
- 1-5%
- 6-10%
- 11-15%
- 16-20%
- 21-25%
- >25%
- I don't know

Forest Management and Planning

19. What percentage of your company's forestland in the U.S. is covered by a written management plan?

_____ percent

20. Is your company's forestland in the U.S. currently certified, or in the process of being certified, under a certification scheme such as the American Tree Farm System, Forest

Stewardship Council (FSC), Programme for the Endorsement of Forest Certification (PEFC), or Sustainable Forestry Initiative (SFI)?

- Yes
- No

If yes, answer a and b.

If no, go to Question 21.

- What percent? _____
- Which certification system(s) does your company use for its forestland in the U.S.?

Select yes or no for each item

Yes No

- | | | |
|---|---|--|
| £ | £ | American Tree Farm System |
| £ | £ | Forest Stewardship Council (FSC) |
| £ | £ | Programme for the Endorsement of Forest Certification (PEFC) |
| £ | £ | Sustainable Forestry Initiative (SFI) |
| £ | £ | Other (please specify): |

21. What percentage of your company's forestland in the U.S. is currently under a conservation easement?

_____percent

22. Which, if any, of the following activities has your company ever collected money from people to use its forestland in the U.S.?

Select yes or no for each item

Yes No

- | | | |
|---|---|--|
| £ | £ | Long-term leasing for timber production |
| £ | £ | Mineral, oil, or gas extraction |
| £ | £ | Hunting |
| £ | £ | Recreation (other than hunting) |
| £ | £ | Agroforestry, including grazing/pasturing of livestock |
| £ | £ | Public water supply protection |
| £ | £ | Wildlife habitat/biodiversity program |
| £ | £ | Wetland mitigation bank |
| £ | £ | Carbon sequestration |
| £ | £ | Solar or wind power generation |
| £ | £ | Other (please specify): |

23. Who, with your company's permission, has hunted, hiked, or otherwise recreated on any of your company's forestland in the U.S. in the past 5 years?

Select yes or no for each item

- | | | |
|-----|----|---|
| Yes | No | |
| £ | £ | Company employees |
| £ | £ | Neighbors |
| £ | £ | The general public free of charge |
| £ | £ | People for a fee (e.g., hunting leases, other leases, or day access fees) |
| £ | £ | Other (please specify): |

If nobody recreated, go to question 24

b. How did they recreate?

Select yes, no, or don't know for each item

- | | | |
|-----|---------------|--|
| Yes | No/Don't know | |
| £ | £ | Hunting |
| £ | £ | Fishing |
| £ | £ | Hiking/walking |
| £ | £ | Bicycling |
| £ | £ | Nature viewing |
| £ | £ | Birding |
| £ | £ | Camping |
| £ | £ | Horseback riding |
| £ | £ | Skiing or snowshoeing |
| £ | £ | Off-road vehicles, such as ATVs or snowmobiles |
| £ | £ | Other (please specify): |

Concerns

24. Please indicate your company's level of concern about each of the following topics for your company's forestland in the U.S.

	Great concern	Concern	Moderate concern	Of little concern	No concern	Not applicable
Air pollution						
Climate change						
Damage from animals						
Development of nearby lands						
Drought or lack of water						
Damage or noise from off-road vehicles						
Government regulation						
High property taxes						

Invasive plants						
Keeping land intact for future generations						
Misuse of wooded land, such as vandalism or dumping						
Trespassing or poaching						
Unwanted insects or diseases						
Water pollution						
Wildfire						
Wind or ice storms						
Weak timber markets						

25. Please indicate your level of concern about each of the following topics for your company's forestland in the U.S.

	Great concern	Concern	Moderate concern	Of little concern	No Concern	Not Applicable
Changes in national or state tax laws and structure						
Changes in state and local ordinances in road use/weight limits						
Changes in state and local ordinances in land use or timber regulations						
Regulations limiting the use of chemicals in timber management						
Changes in the forest products industry						
Changes in timber markets						
International tariffs						
Long-term fiber supply agreements						
Securing logging contractors						
Liability issues with hunting and recreation leases						
Securing seedling planting stock						
Changes in investors' preferences						
Meeting and maintaining timber green certification standards						
Other (please specify):						

Community Relations

26. Which, if any, of the following community engagement activities has your company participated in in the U.S. in the past 5 years?

Select yes or no for each item

Yes No

- £ £ Outreach and education to landowners
- £ £ Outreach and education to the general public (such as, "Forestry Days")
- £ £ Landowner technical assistance, such as writing forest management plans
- £ £ Charitable contributions
- £ £ Other (please specify):

Income Generation

27. On average, what percentage of your company's total revenue is derived from your

forestland operations?

Note: This includes receipts from timber sales, sale of forestland, and other revenue streams directly from your forestland. If this company is a subsidiary of a larger, parent company, please respond for the parent company.

- < 25%
- 26-49%
- 50-74%
- 75-99%
- 100%

28. What percentage of your company's annual harvests in the U.S. in the past 5 years was associated with long-term timber/fiber supply agreements with mills or other primary wood processing facilities for its forestland in the U.S.?

- 0%
- < 25%
- 26-49%
- 50-74%
- 75-99%
- 100%

Labor/Workforce

29. Who manages day-to-day, on-the-ground operations for your company's forestland in the U.S.?

Select yes or no for each item

Yes No

£ £ Your company (in house)

£ £ Outside your company

30. Does your company allocate/dedicate funds or budget for wildfire suppression in the U.S.?

- Yes
- No

31. Which, if any, of the following activities has your company participated in in the past 5 years in regards to research on tree improvement or other forest management issues in the U.S.?

Select yes or no for each item

Yes No

£ £ Employ in-house researchers

- £ £ Contribute to research cooperatives, programs, or institutes
- £ £ Directly fund specific research projects

32. How many people are currently employed by this company? Please indicate full time equivalents. For example, an employee scheduled to work 21 hours per week would be 0.6 FTE when the full-time workweek is 35 hours. FTE calculations are about hours worked rather than number of employees.

_____ FTEs

Comments

33. A. If we have questions about your responses in this survey, can we contact you?

- Yes
- No

If yes, please answer b.

b. What is your contact information?

_____ Name
_____ Phone number
_____ Email address

32. If there are any additional comments or concerns that you would like to share, please write them below.

1. _____
