Project Plan

The *Project Plan* is the documentation of your plans and key tasks for each applicable Program Objective; as well as key accomplishments for each applicable Program Objective. Although the format provided is compartmentalized, your plan should "tie together" and be reflective of your jurisdiction's *Assessment*.

Below is the suggested *Project Plan* outline; yellow highlight indicated data entry spaces. Changes to the *Project Plan* throughout this cooperative agreement must be tracked and explained in this document.

Program Overview

A statement with the program's mission and vision. Summarize the expected outcomes of the project.
