# PRAMS Marijuana Use Supplemental Module

## PRAMS Marijuana Use Supplemental Module – English Web

The screenshot shows a web browser window for the "Prams Web Survey Module Port" at <https://prams-stg.cdc.gov>. The page features a dark blue header with the CDC logo and text: "Department of Health and Human Services" and "Centers for Disease Control and Prevention". Below the header, a message indicates the user is from "South Carolina" with "MomID: 2022TT333001". A progress bar shows "62%". A message box states "The next questions are about marijuana." with "Back" and "Next" buttons. At the bottom, there are links for "Centers for Disease Control and Prevention" (1600 Clifton Rd, Atlanta, GA 30333, U.S.A.) and "Department of Health and Human Services" (with links to "Vulnerability Disclosure Policy" and "Español").

## Attachment 11j – PRAMS Marijuana Use Supplement\_English and Spanish Web

The screenshot shows a web browser window for the "Prams Web Survey Module Porta" at <https://prams-stg.cdc.gov>. The page is titled "South Carolina" and includes the MomID: 2022TT333001. A progress bar indicates 62% completion. The main question is "MJS1. At any time during the 3 months before you got pregnant OR during your most recent pregnancy, did you use marijuana or hash in any form?". Two radio button options are provided: "No" and "Yes". Below the question are "Back" and "Next" buttons. The footer contains links to the CDC and Department of Health and Human Services websites, along with a vulnerability disclosure policy link.

**MJS9. ¿Cuánto tiempo cree que una mujer debe esperar para dar pecho a su bebé después de usar marihuana?**

Marque UNA respuesta

No creo que tiene que esperar  
 Creo que es mejor esperar hasta que se le quite el efecto de estar drogada  
 Creo que es mejor esperar 2-3 horas después de que se le quite el efecto de estar drogada  
 No creo que es seguro usar la marihuana en ningún momento si una mujer está dando pecho
